## RADICAL MOVE IS MADE IN BERLIN CRISIS

American Officials Declare "Technical Difficulties" Responsible for Stoppage in Germany

DIPLOMATS IN HUDDLE

**BULLETIN**

Frankfurt, Germany, July 26—(AP)—Military governors and German political leaders of the three western zones reached final agreement tonight on plans for a western Germany government. It was learned officially "We are all set" said Ambassador Robert Murphy, political advisor to Gen. Lucius D. Clay, American military governor. They conferred last week in Washington over the Berlin blockade and other Germany questions. The agreement leaves open the door for participation in the future by the Russian zone in eastern Germany.

**BULLETIN**

London, July 26—(AP)—United States, British and French diplomats met early today for critical consultations on differences with Russia over Germany. They were armed with fresh information from Washington and Moscow. The conference at the foreign office was the first of a new series arising from the crisis provoked by Russia's blockade of Berlin. It came less than 12 hours after a team of American experts on Russian affairs returned from a huddle in Berlin.

Berlin, July 26—(AP)—The United States and Britain banned movements of trains today to and from the Russian zone of Germany. American officials said "technical difficulties" caused the stoppage.

## Wingless Mystery Craft Is Causing Great Excitement

Atlanta, July 26—(AP)—The flying saucer—or something—is back again. Reports from widely separated sections of the country have described "it" over the weekend as:

1. A wingless craft, spurring flame "like a Buck Rogers rocket ship."
2. An aluminum covered balloon.
3. An unusually bright light.
4. A ball of fire.
5. A red and blue flame that burst in mid-air.
6. A flash of cherry red fire.
7. A meteor.

"It" first was reported by two Eastern Airlines pilots, each a fighter pilot during the war, who said they encountered a wingless mystery plane, spurring fire, near Montgomery, Ala., on the Atlanta-Houston flight Saturday.

Next up, Clarence L. McKelvie of Columbus, Ohio lent credence to the pilots' report by declaring he had seen "a flash of cherry red fire" while a passenger on the plane.

Then an Atlanta hunter stalking game in North Georgia reported "an unusually bright light—as a lighted room," at about the same time the Eastern Airlines pilots said they saw "it" over Alabama.

"It" was an aluminum covered balloon to observers at Takima, Va., where the police station switchboard was jammed with excited calls and inquiries. "It" was reported moving westerly, at a great height and against strong winds.

## George Bernard Shaw Turns 92; His Wit Potent As Ever

Ayot St. Lawrence, England, July 26—(AP)—George Bernard Shaw turned 92 today, determined to round out a full century of life. The bite of his wit and wisdom are as potent as ever.

The bard's sage's scorn of birthdays—especially his own—has for years imposed a hush upon his household when this important day comes around, and consequently observance is a subdued affair—incense as Shaw can manage it.

He has a word for such celebrations—"rubbish." When he wants to save a syllable he explodes: "Bah."

Still, telegrams and telephone calls pour in. There are personal visits, gifts to be acknowledged, persons seeking interviews. Mostly GBS passes the buck on these things to his stern secretary, the adroit Dr. F. E. Loewenstein.

## Truck Used by Murderers on Last Ride

This is the new car transport truck which John C. West drove into a road block near Van Wert, O., where he was shot to death by Police Sergeant Leonard Conn. Note bullet holes in door. Robert M. Daniels, West's companion in seven murders, was riding in a new car on the truck, along with guns, ammunition and luggage. He surrendered without a fight.

## Wallace Party Launched On Platform Offering Give-and-Take Peace With Soviet Union

Philadelphia, July 26—(AP)—Henry A. Wallace rolled his new Progressive Party today down a road he and his followers promised leads to a give-and-take peace with Russia.

With an assertion that "we've just begun to roll," the third party presidential nominee set out to plant in every state the seed of what he called a new political crusade.

It was born here in a boisterous, singing, shouting convention that ended last night in seven and one-half hours of free-for-all debate over a party platform.

Wallace, gifted to a television set while his friends were adopting a platform placing "joint responsibility" on the United States and Russia to keep the peace, then whirled off to a youth for Wallace meeting.

As teen agers packed into a jammed hotel ballroom cheered lustily, the former vice president grinned widely, shoved back an unruly forelock and said:

"Gosh, it's swell to meet with folks who are not playing it safe."

That was a keynote to this first Progressive party convention, which picked Senator Joe Taylor of Idaho as No. 2 man on the third party presidential ticket headed by Wallace.

Taylor put it into words before the youth conference.

"I was told that if I ran with Wallace, they'll call you a Red and probably prove it," he said. He didn't identify "they" but he said he isn't worried.

The Communist issue plagued the New Party formers throughout their meeting.

It broke out in the Sabbath Day platform session when James Mayford of Westburke, Vt., a delegate, offered from the floor an amendment to put the party on record against endorsing any nation's foreign policy.

Mayford said the draft submitted by the platform committee headed by Rexford Guy Tugwell, former Roosevelt brain trust, criticized the bipartisan American foreign policy and by implication approved Russia's.

The platform arguments prompted Wallace to tell the youth meeting later that "the newspaper will mess up in 8,000 ways" the recording of the events.

A crowd of the faithful who paid about \$30,000 to get in to cheer their heroes and contributed about \$50,000 more in gifts, nearly mobbed Wallace at what he described as about the happiest moment in his life.

With a nearly full moon peering down over the right field fence Wallace made it clear that his third party campaign will be geared almost wholly to the peace theme.

The Wallace call for withdrawal of troops from Berlin put him in direct odds on this issue with Gov. Thomas E. Dewey of New York, the Republican presidential nominee.

Dewey joined with Senator Arthur Vandenberg (R-Mich.) and John Foster Dulles in a week-end statement from Pawling insisting that this country not surrender its rights in Berlin under Russian duress.

In Washington President Truman practically completed work on the draft of an anti-inflation message he expected to deliver personally to congress tomorrow.

## Toronto Pilot Named Manager of Philies

Philadelphia, July 26—(AP)—Eddie Sawyer, manager of the Toronto Maple Leafs in International League, today was named manager of the Philadelphia Philies.

Sawyer succeeds acting Manager Dusty Cooke who took over field generalship of the Blue Jays after Ben Chapman was fired 11 days ago.

The 37-year-old Sawyer has been steadily moving up in the Phils' farm organization. He managed the Class A Utica Club to Eastern League championships in 1945 and was named to manage Toronto this year.

## Peace Aim Of New Regime In Yugoslavia

Belgrade, Yugoslavia, July 26—(AP)—Vice Premier Eduard Kardelj told members of the Yugoslav Communist party today "the new Yugoslavia will be governed in foreign policy by the principles of peace, independence and support of the anti-imperialist policy of the Soviet Union."

He listed the principles as:

1. Universal activity for peace and peaceful cooperation on the ground of full equality based on the principles of the United Nations.
2. Economic cooperation with all countries on the ground of equality and respect of mutual obligations.
3. The policy of support to the forces struggling for peace, national freedom and independence.
4. Support to the anti-imperialist policy of the Soviet Union and the countries of the People's Democracies (the Communist Nations).
5. Development of cooperation in all respects with the Soviet Union and the countries of the People's Democracies in economic and cultural life with the object of strengthening the common development in the socialist countries.

## JET FIGHTER PLANES LAND IN GERMANY

Sixteen Lockheed Shooting Stars Complete Crossing in Twelve Hours And Ten Minutes

## MOSCOW IS BOASTFUL

Fuerstentfeldbruck, Germany, July 26—(AP)—Sixteen jet fighter planes ready for action butarked United States air power in Germany today—and 76 more will arrive soon. In Moscow, Russia unveiled several new jet fighter planes and bombers at the annual Soviet air show.

The U. S. Lockheed Shooting Stars roared into this former Nazi air base yesterday, completing a 5,060-mile flight from Selfridge, Mich. in only 12 hours and 10 minutes flying time. They cruised at an average of 450 miles an hour.

The trail-blazing flight marked the first west-east crossing of the Atlantic by jets. Their arrival coincided with intensified training activity by British and American military aircraft in Britain and Germany.

Developments elsewhere underscored Russian and British developments in jet propelled craft.

In Moscow, prime minister Stalin watched a big air display yesterday. His son, Maj. Gen. Vasily Stalin, commanded it.

American military observers said they considered the most important feature of the show to be the uncovering of the new jet fighters and bombers. The speed of these latest planes was said to indicate the Soviets are determined to maintain priority in jet development and high speed aviation.

A Moscow radio broadcast said some of the jet fighters in the show approached the speed of sound. Sound travels at about 760 miles an hour at sea level and with a temperature of 59 degrees Fahrenheit. At higher altitudes it moves more slowly.

The airliner was making an approach run to Gaspe airport, 12 miles west, when it struck the cape about 100 yards from the sea. Only one wing was found near the scene of the crash, leading to speculation that the other may have dropped off while the plane was over the sea.

Most of the passengers were reported to be lumberjacks—employees of the Consolidated Paper Corp., Ltd., which had chartered the plane to fly the men from Anticosti island to the railroad at Gaspe.

## Five Fatalities On Highways Of State

By The Associated Press

Nine Pennsylvanians lost their lives in accidents reported over the weekend, five in traffic mishaps.

There was one drowning victim. He was Charles Bechtold, 17, of Leacock. The youth disappeared into 20 feet of water near the shore in the Susquehanna river at Peques, near Lancaster. Dr. W. C. Hays, deputy coroner issued a verdict of accidental death by drowning.

Bechtold's body was found yesterday by Beryl Wagner, a Peques riverman who last March 18, discovered the body of Russell Balliet of near Berwick floating in the river. Balliet had been murdered and his body thrown into the river.

William Rosar, 70, and his wife, Julia, both of Scranton, died Saturday in a trailer camp near Lake Ariel while celebrating Mrs. Rosar's 68th birthday. The coroner issued a verdict of death by asphyxiation after a stove apparently blew up, setting off a fire.

Frank Kollarik, 65, Dunbar, was killed Saturday in a fall of slate in the Greene county mine of the Alney Coal Company.

The officer identified the driver as George Shaffer, former resident of Brookville, who is now employed at the Carborundum plant in Tonawanda. Shaffer denied he had heard the shots or the police siren which Davis had sounded almost continuously in the long chase.

Patrolman Davis gave this version of the story:

"I had a warrant for the arrest of Shaffer on a surety of the peace charge. I first spotted him in his car on Main street in Brookville about 2 a. m., but he made a quick left turn in front of a motorcycle and an automobile. How he escaped hitting the motorcycle, I don't know, but I was unable to follow and he got away."

"Later, about 3:30 a. m., while I was on patrol alone in the police car, I spotted him again in Brookville and gave chase. He sounded the siren and Shaffer hit for the outskirts of town. I gave chase and about six or seven miles out of town, I emptied my gun at the rear of the car, trying to hit the gas tank."

"I got close to him several times but each time I tried to pass him, he would pull over into the center of the highway and block me."

The company said the first ink of the strike was when a truck appeared in front of the bus terminal in Pennsylvania avenue, west near Liberty street. Virtually all regular drivers then completed their runs and left the coaches at the garage.

A company representative said the work stoppage resulted "because we had to let one man go."

The company said he was a regular driver but declined to elaborate on why he was discharged.

The drivers themselves, however, said the firing of the one man was only one of the reasons for the strike. They said the man was fired without any kind of a hearing, contrary to promises they had received from the company.

The drivers, who are affiliated with the AFL bus drivers union, said they also are asking the company to sign a contract with the union local which would provide a pay increase and improved working conditions.

## Babe Ruth Is Being Honored in New York

New York, July 26—(AP)—Today is Babe Ruth Day in New York City.

The day was proclaimed officially yesterday by Mayor William O'Dwyer on a visit to the home run king at Memorial Hospital. Ruth, who has undergone several operations, has been a patient at the hospital since June 23.

"Hi ya, Babe, how you feeling?" asked the mayor.

"Fine," Ruth answered in a weak voice.

Ruth presented the mayor with an invitation to tonight's opening of the motion-picture, "The Babe Ruth Story." Proceeds of the premiere will be used by the Babe Ruth Foundation, Inc., to develop baseball-conscious boys.

## 29 Canadians Lose Lives In Plane Crash

Gaspe, Que., July 26—(AP)—Twenty-nine persons died Saturday night when a chartered Rimouski Airlines Dakota crashed into fog-bound Cape Bon Ami headland in the worst air disaster of Canada's aviation history.

Leon Blondeau, district inspector of air regulations at Montreal, today opened a preliminary investigation at the scene, where only the gutted fuselage and one wing and a door remained of the two-engine plane.

Most of the bodies were unidentified when ground parties combed the steep headland. The bodies were taken on lumber sleds to Gaspe Parish Hall, where an inquest was to be held today.

The airliner was making an approach run to Gaspe airport, 12 miles west, when it struck the cape about 100 yards from the sea. Only one wing was found near the scene of the crash, leading to speculation that the other may have dropped off while the plane was over the sea.

Most of the passengers were reported to be lumberjacks—employees of the Consolidated Paper Corp., Ltd., which had chartered the plane to fly the men from Anticosti island to the railroad at Gaspe.

## SEN. BARKLEY HEADS GROUP OF DEMOCRATS INVITED TO CONFERENCE AT WHITE HOUSE

Washington, July 26—(AP)—The Republican high command decided today to make no decisions on a legislative program until President Truman puts his extra session recommendations before congress tomorrow.

House Speaker Martin (Mass.) told newsmen after a meeting of senate and house leaders that "no decisions" were made. Martin added:

"We want to hear what the president has to say tomorrow before making up our minds definitely. "I think the boys at Bunker Hill, we are not going to fire until we see the whites of their eyes."

Martin then walked into the house chamber and rapped to order the session summoned by Mr. Truman in the midst of the 1948 presidential and congressional campaigns.

At the White House, Mr. Truman continued work on the message he first outlined to the Democratic national convention.

Democratic congressional leaders were called in to review the price control and other proposals scheduled for inclusion.

The meeting of Republican chiefs, held in Martin's office, was attended by Senators Taft (Ohio), Vandenberg (Mich.), Wherry (Neb.) and Milliken (Colo.), and Repps, Hallett (Ind.), Brown (Ohio) and Arents, (Ill.). It lasted almost an hour and a half.

Martin called it "a preliminary meeting for general discussion."

On the senate side, Vandenberg called the chamber to order after the GOP meeting. Sixty-five senators answered the roll call. The senate remained in session only 11 minutes and quit until tomorrow.

Senator Wherry (Neb.), the acting majority leader, and Senator Taft (Ohio) both said no definite program of legislation will be agreed upon until Mr. Truman's message is received.

Taft said there "is some sentiment to meet and adjourn after the president's speech but that he doubts many congressmen favor this."

"I think we'll probably meet every day," Taft told a reporter. "That's what we're here for."

Other Republicans said the only part of Mr. Truman's expected program now ready for senate action are three civil rights bills—anti-lynch, anti-poll tax and one to speed up fair employment practices commission.

Southerners have promised a filibuster if any attempt is made to bring these measures up.

Senator Russell (D-Ga.) said that southern Democratic senators will confer on civil rights legislation later today or tomorrow.

### Wingless Mystery Craft Is Causing Great Excitement

Atlanta, July 26—(P)—The flying saucer—or something—is back again.

Reports from widely separated sections of the country have described "it" over the weekend as:

1. A wingless craft, spurring flame "like a Buck Rogers rocket ship."
2. An aluminum covered balloon.
3. An unusually bright light.
4. A ball of fire.
5. A red and blue flame that burst in mid-air.
6. A flash of cherry red fire.
7. A meteor.

"It" first was reported by two Eastern Airlines pilots, each a fighter pilot during the war, who said they encountered a wingless mystery plane, spurring fire, near Montgomery, Ala., on the Atlanta-Houston flight Sunday.

Next up, Clarence L. McKelvie of Columbus, Ohio lent credence to the pilots' report by declaring he had seen "a flash of cherry red fire" while a passenger on the plane.

Then an Atlanta hunter stalking game in North Georgia reported "an unusually bright light—as a lighted room," at about the same time the Eastern Airlines pilots said they saw "it" over Alabama.

"It" was an aluminum covered balloon, observers at Yakima, Wash., where the police station switchboard was jammed with excited calls and inquiries. "It" was reported moving westerly, at a great height and against strong winds.

### Wallace Party Launched On Platform Offering Give-and-Take Peace With Soviet Union

Philadelphia, July 26—(P)—Henry A. Wallace rolled his new Progressive Party today down a road he and his followers promised leads to a give-and-take peace with Russia.

With an assertion that "we've just begun to roll," the third party presidential nominee set out to plant in every state the seed of what he called a new political crusade.

It was born here in a boisterous, singing, shouting convention that ended last night in seven and one-half hours of free-for-all debate over a party platform.

Wallace, glued to a television set while his friends were adopting a platform placing "joint responsibility" on the United States and Russia to keep the peace, then whirled off to a youth for Wallace meeting.

As teen agers packed into a jammed hotel ballroom cheered lustily, the former vice president grinned widely, shoved back an unruly forelock and said:

"Gosh, it's swell to meet with folks who are not playing it safe."

That was a keynote to this first Progressive party convention, which picked Senator Clegg Taylor of Idaho as No. 2 man on the third party presidential ticket headed by Wallace.

Taylor put it into words before the youth conference.

"I was told that if I ran w. Wallace, they'll call you a Red and probably prove it," he said. He didn't identify "they" but he said he isn't worried.

The Communist issue plagued the New Party formers throughout their meeting.

It broke out in the Sabbath Day platform session when James Hayford of Westburke, Vt., a delegate, offered from the floor an amendment to put the party on record against endorsing any foreign policy and by implication approved Russia's.

Hayford said the draft submitted by the platform committee headed by Rexford Guy Tugwell, former Roosevelt brain trust, criticized the bipartisan American foreign policy and by implication approved Russia's.

The platform arguments prompted Wallace to tell the youth meeting later that "the newspaper will mess up in 8,000 ways" the recording of the events.

A crowd of the faithful who paid about \$30,000 to get in to cheer their heroes and contributed about \$50,000 more in gifts, nearly mobbed Wallace at what he described as about the happiest moment in his life.

With a nearly full moon peering down over the right field fence Wallace made it clear that his third party campaign will be geared almost wholly to the peace theme.

The Wallace call for withdrawal of troops from Berlin put him in direct odds with this issue with Gov. Thomas E. Dewey of New York, the Republican presidential nominee.

Dewey joined with Senator Arthur Vandenberg (R-Mich.) and John Foster Dulles in a week-end statement from Pawling insisting that this country not surrender its rights in Berlin under Russian duress.

In Washington President Truman practically completed work on the draft of an anti-inflation message he is expected to deliver personally to congress tomorrow.

### JET FIGHTER PLANES LAND IN GERMANY

Sixteen Lockheed Shooting Stars Complete Crossing in Twelve Hours And Ten Minutes

### MOSCOW IS BOASTFUL

Puerstorfbruck, Germany, July 26—(P)—Sixteen jet fighter planes ready for action but arked United States air power in Germany today—and to more will arrive soon. In Moscow, Russia unveiled several new jet fighter planes and bombers at the annual Soviet air show.

The U. S. Lockheed Shooting Stars roared into this former Nazi air base yesterday, completing a 5,000-mile flight from Selfridge, Mich., in only 12 hours and 10 minutes flying time. They cruised at an average of 450 miles an hour.

The trail-blazing flight marked the first west-east crossing of the Atlantic by jets. Their arrival coincided with intensified training activity by British and American military aircraft in Britain and Germany.

Developments elsewhere underscored Russian and British developments in jet propelled craft.

In Moscow, prime minister Stalin watched a big air display yesterday. His son, Maj. Gen. Vasily Stalin, commanded it.

American military observers said they considered the most important feature of the show to be the uncovering of the new jet fighters and bombers. The speed of these latest planes was said to indicate the Soviets are determined to maintain priority in jet development and high speed aviation.

A Moscow radio broadcast said some of the jet fighters in the show approached the speed of sound. Sound travels at about 760 miles an hour at sea level and with a temperature of 59 degrees Fahrenheit. At higher altitudes it moves more slowly.

### Five Fatalities On Highways Of State

By The Associated Press

Nine Pennsylvanians lost their lives in accidents reported over the weekend, five in traffic mishaps.

There was one drowning victim. He was Charles Bechtold, 17, of Leacock. The youth disappeared in about 20 feet of water near the shore in the Susquehanna river at Pequea, near Lancaster. Dr. W. Giles Hess, deputy coroner issued a verdict of accidental death by drowning.

Bechtold's body was found yesterday by Beryl Wagner, a Pequea riverman who last March 18, discovered the body of Russell Balliet of near Berwick floating in the river. Balliet had been murdered and his body thrown into the river.

William Rosar, 73, and his wife, Julia, both of Scranton, died Saturday in a trailer camp near Lake Ariel while celebrating Mrs. Rosar's 68th birthday. The coroner issued a verdict of death by asphyxiation after a stove apparently blew up, setting off fire.

Frank Kollarik, 65, Dunbar, was killed Saturday by a fall of slate in the Greene county mine of the Ainey Coal Company.

### Bus Drivers On City Lines Are On Strike

Virtually all the regular drivers of the Warren City Lines went on strike shortly before noon today, but a complete tieup of the local transportation system was averted when company officials elected to operate the coaches themselves.

The company said the first it knew of the strike was when a picket appeared in front of the bus terminal in Pennsylvania avenue, west near Liberty street. Virtually all regular drivers then completed their runs and left the coaches at the garage.

A company representative said the work stoppage resulted "because we had to let one man go."

The company said he was a regular driver but declined to elaborate on why he was discharged.

The drivers themselves, however, said the firing of the one man was only one of the reasons for the strike. They said the man was fired without any kind of a hearing, contrary to promises they had received from the company.

The drivers, who are affiliated with the AFL bus drivers union, said they also are asking the company to sign a contract with the union local which would provide a pay increase and improved working conditions.

### Babe Ruth Is Being Honored in New York

New York, July 26—(P)—Today is Babe Ruth Day in New York City.

The day was proclaimed officially yesterday by Mayor William O'Dwyer on a visit to the home run king at Memorial Hospital. Ruth, who has undergone several operations, has been a patient at the hospital since June 23.

"Hi ya, Babe, how you feeling?" asked the mayor.

"Fine," Ruth answered in a weak voice.

Ruth presented the mayor with an invitation to tonight's opening of the motion-picture, "The Babe Ruth Story." Proceeds of the premiere will be used by the Babe Ruth Foundation, Inc., to develop baseball-conscious boys.

### 29 Canadians Lose Lives In Plane Crash

Gaspe, Que., July 26—(P)—Twenty-nine persons died Saturday night when a chartered Rimouski Airlines Dakota crashed into fog-bound Cape Bon Ami headland in the worst air disaster of Canada's aviation history.

Leon Blondeau, district inspector of air regulations at Montreal, today opened a preliminary investigation at the scene, where only the gutted fuselage and one wing and a door remained of the two-engine plane.

Most of the bodies were unidentifiable when ground parties climbed the steep headland. The bodies were taken on lumber sleds to Gaspe Parish Hall, where an inquest was to be held today.

The airliner was making an approach run to Gaspe airport, 12 miles west, when it struck the cape about 100 yards from the sea. Only one wing was found near the scene of the crash, leading to speculation that the other may have dropped off while the plane was over the sea.

Most of the passengers were reported to be lumberjacks—employees of the Consolidated Paper Corp., Ltd., which had chartered the plane to fly the men from Anticosti island to the railroad at Gaspe.

### SEN. BARKLEY HEADS GROUP OF DEMOCRATS INVITED TO CONFERENCE AT WHITE HOUSE

Washington, July 26—(P)—The Republican high command decided today to make no decisions on a legislative program until President Truman puts his extra session recommendations before congress tomorrow.

House Speaker Martin (Mass.) told newsmen after a meeting of senate and house leaders that "no decisions" were made. Martin added:

"We want to hear what the president has to say tomorrow before making up our minds definitely."

"Like the boys at Bunker Hill, we are not going to fire until we see the whites of their eyes."

Martin then walked into the house chamber and rapped to order the session summoned by Mr. Truman in the midst of the 1948 presidential and congressional campaigns.

At the White House, Mr. Truman continued work on the message he first outlined to the Democratic national convention. Democratic congressional leaders were called in to review the price control and other proposals scheduled for discussion.

The meeting of Republican chiefs, held in Martin's office, was attended by Senators Taft (Ohio), Vandenberg (Mich.), Wherry (Nebr.) and Millikin (Colo.), and Reps. Halleck (Ind.), Brown (Ohio) and Arends (Ill.). It lasted almost an hour and a half.

Martin called it "a preliminary meeting for general discussion."

On the senate side, Vandenberg called the chamber to order after the GOP meeting. Sixty-five senators answered the roll call. The senate remained in session only 11 minutes and quit until tomorrow.

Senator Wherry (Neb.), the acting majority leader, and Senator Taft (Ohio) both said no definite program of legislation will be agreed upon until Mr. Truman's message is received.

Taft said there "is some sentiment to meet and adjourn" under the president's speech but that he doubts many congressmen favor this.

"I think we'll probably meet every day," Taft told a reporter. "That's what we're here for."

Other Republicans said the only part of Mr. Truman's expected program now ready for senate action are three civil rights bills—anti-lynch, anti-poll tax and one to set up a fair employment practices commission.

Southerners have promised a filibuster if any attempt is made to bring these measures up.

Senator Russell (D-Ga.) said that southern Democratic senators will confer on civil rights legislation later today or tomorrow.

Russell told reporters it would (Turn to Page Eight)

### Youth Arrested Here After 65-Mile Hair-Raising Chase

A 21-year-old Tonawanda, N. Y., resident was arrested in Warren early Sunday morning following a hair-raising 65 mile chase during which a police officer fired five bullets into the left rear of the fleeing car.

The chase started in Brookville, Jefferson county and extended at high speed northward on Route 68 through Sigel and Marienville to Russell City, thence along Route 948 through Barnes to Sheffield and then on Route 8 to Warren.

Brookville Patrolman Harry Davis said the chase finally ended when the driver surrendered quietly at the intersection of Maple street and Pennsylvania avenue, east, on the East Side.

The officer identified the driver as George Shaffer, former resident of Brookville, who is now employed at the Carborundum plant in Tonawanda. Shaffer denied he had heard the shots or the police siren which Davis had sounded almost continuously in the long chase.

Patrolman Davis gave this version of the story:

"I had a warrant for the arrest of Shaffer on a surety of the peace charge. I first spotted him in his car on Main street in Brookville about 2 a. m., but he made a quick left turn in front of a motorcycle and an automobile. How he escaped hitting the motorcycle, I don't know, but I was unable to follow and he got away."

"Later, about 3:30 a. m., while I was on patrol alone in the police car, I spotted him again in Brookville and gave chase. I sounded the siren, but Shaffer hit for the outskirts of town. I gave chase and about six or seven miles out of town, I emptied my gun at the rear of the car, trying to hit the gas tank."

"I got close to him several times but each time I tried to pass him, he would pull over into the center of the highway and block me. I had the siren wide open going through Sheffield, and again coming into Warren. I guess when he got to Warren he figured the police there would hear the siren and stop him. Anyways, he suddenly pulled over to the curb and then told me he had not heard either the shots or the siren."

Davis, who is also constable for Pine Grove township on the outskirts of Brookville, took his prisoner back to Brookville and lodged him in jail to await hearing.

Shaffer's car was impounded by Warren borough police at the request of Davis and is being held here pending outcome of the case.

Davis, who is right-handed, fired the gun at the fleeing car with his left hand while traveling at a fast rate of speed. All five of the slugs struck the left rear of Shaffer's machine, but angle iron braces kept the lead slugs from striking the left rear tire and the gasoline tank.

### Body of Local Boy Killed At Anzio Coming Thursday

Mr. and Mrs. Harry S. Rapp, 116 Pennsylvania avenue, west, were advised over the weekend that the body of their son, Pfc. Raymond D. Rapp, who lost his life on the Anzio beachhead on May 29, 1944, will arrive here Thursday morning from the Philadelphia Quartermaster Depot.

Removal will be made to the Leo D. Gibson Funeral Home, where friends may pay their respects during the usual Thursday visiting hours, starting at two in the afternoon.

Services in his memory will be held from there at 2:30 p. m. Friday, conducted by Dr. H. A. Rinard, Lutheran minister, with interment following in Oakland cemetery.

Pfc. Rapp was born in Warren on May 24, 1925, a son of Harry S. and Anna Elizabeth Smith Rapp. He was well known in the community and popular among his classmates in the Warren public schools, Beaty Junior High and during his two years at Warren High School.

He was at one time a member of Troop 12, Boy Scouts, a lifelong member of First Lutheran church and the first member of the congregation's service roll to be killed in action.

He was employed by his father as a bookkeeper at the Fairchild and Rapp Machine Company for one year prior to entering service. A member of the Thunderbolts, Company H, 179th Infantry, he was killed in action on the Anzio beachhead, during the drive on Rome which came in the latter part of the campaign.

By direction of the president he was awarded the Bronze Star Medal for heroic achievement with his machine gun crew.

He has been temporarily buried in the American Military Cemetery at Nettuno, Italy. Besides his parents, he leaves one sister and two brothers. Mrs. Grace Stearns, John R. Rapp and Richard Rapp, all of Warren.

### Marshall Plan Buying Goes Into A Slump

Washington, July 26—(P)—Marshall Plan buying went into a slump last week, but for the first time two countries in the Russian sphere were brought into the European recovery effort.

Finland was given a \$488,000 order for ground wood pulp, and a \$400,000 item for freight car repairs was assigned to Soviet-dominated Czechoslovakia.

Officials blamed delays in getting new J. September quarterly allocations in shape for the only \$18,902,478 worth of supplies and services authorized by the economic cooperation administration last week.

Average weekly authorizations have been about \$100,000,000 and officials predicted orders will return to that figure shortly.

Foreign countries will receive \$13,725,000, or roughly 72 percent, of the money earmarked for the new purchases. Belgium will receive the greatest share, \$7,841,000. Other suppliers include Sweden, Britain, Uruguay, Brazil, Mexico and Switzerland.

Bizonal Germany will receive the greatest assistance, \$12,450,000 worth. Greece will get \$2,149,000; Italy \$1,970,000; Denmark \$1,322,000 and China \$1,147,800.

The new authorizations bring to \$835,022,702 the amount earmarked to date for western Europe, Trieste and China, including shipping charges and adjustments.

France will receive \$231,242,000, the recipients, followed by Britain with \$226,066,200 and Italy \$108,865,044.

Paris, July 26—(P)—ECA Administrator Paul G. Hoffman says the Marshall plan countries should prepare quickly a master plan of action aimed at full European recovery by 1952.

And, he says, the American people expect them to carry out a program of "coordination for their combined economic recovery. The multi-billion dollar American aid program is scheduled to end in 1952.

The head of the Economic Cooperation made these statements yesterday before the Foreign and Economic Ministers of the 16 European recovery program nations.

He said the United States is taking Europeans at their word in pledges to pool their resources for mutual reconstruction.

### ANOTHER OF FAMOUS SHELTON GANG SHOT

Peoria, Ill., July 26—(P)—Bernie Shelton, member of the notorious Shelton gang, prohibition era days, was shot and killed from ambush today.

A gunman who hid in a clump of bushes near a tavern where the former gang member hung out killed Shelton with a single shot and escaped.

Shelton's older brother, Carl, who headed the gang, was shot and killed in Fairchild, Ill., last Oct. 27.

### Rackets Probe In Pittsburgh Urged

Pittsburgh, July 26—(P)—District Attorney William S. Rahauser, returning home from a vacation today, faced a decision on whether to ask the grand jury to probe charges that rackets are flourishing here with police and political protection.

Mayor David L. Lawrence, in a weekend statement, declared: "I am requesting the district attorney to do everything within the power of his office to expedite the truth or falsity of certain accusations made in regard to law enforcement in the city."

The accusations Lawrence referred to have been leveled by Al Florio, a former city police inspector, who is now a private detective.

#### NEW TAX

Youngsville borough council has passed an ordinance assessing a \$5 per capita tax for general borough purposes upon all citizens of that town over the age of 21. The new tax is in addition to all present taxes in effect and becomes in force and effect as of Thursday, July 22.

#### LEARNED HER LESSON

According to the Corry Journal a first ward woman who is known for her fondness of pet animals, while driving near town with her husband Thursday evening, noticed a small skunk and attempted to capture the mischievous animal. The skunk was more mature than she had judged and as she attempted to lift it by the tail, it gave her a complete shower, abruptly ending the effort to acquire a new pet for the East Pleasant street home.

#### NEW SPONSOR

An Associated Press dispatch from New York says a contract under which the Kaiser-Frazer Sales Corp., will sponsor Walter Winchell's radio news commentaries two years starting next January first, has been signed. It was unofficially reported that Winchell will get \$1,350,000 for the two-year period. The cost of air time over stations on the American Broadcasting Company network will be additional. Winchell's present sponsor, the Jergens company, recently decided not to renew his contract.

#### THREE CALLS

The fire department answered three alarms over the week and with none of the calls coming as a result of actual fire. On Friday evening shortly after 8 o'clock, the pavement on Second avenue near the YWCA was flushed when a car parked there was leaking gasoline from a hole in the tank. On Saturday afternoon, at 3:20 o'clock Saturday afternoon, at 3:20 o'clock, the boys took a ride to 829 West Fifth avenue, where there was a natural gas leak reported in the house. Firemen turned off the hot water tank and reported the leak to the gas company. This morning at 6:18 o'clock they again went to 18 E. St. Clair street, where a refrigerator was leaking ammonia. Firemen turned the refrigerator out and returned to stations at 6:44.

#### CAPTURES TRUCK THIEVES

Merrill Patterson of Corry, driving toward Corry from Columbus at 10 o'clock Thursday night, passed a Chevrolet truck going in the opposite direction. He thought the truck was his which he parked in Corry five hours previously. It was Patterson immediately gave chase after the truck. According to him, stop as he attempted to flag it down. Taking a pistol out of the glove compartment of his car, he fired several shots into the air and the driver of the fleeing truck brought it to a halt at the side of the road. Three youths immediately jumped from the cab and fled into the brush, but Patterson was successful in apprehending a fourth boy who remained in the vehicle. Taken to the Corry State Police sub-station the youngsters revealed the names of his companions, who were picked up by officers and referred to the county juvenile court.

#### PITCHED FROM TRUCK

Kenneth Glancy, 20, of R. D. 3, Conneautville, was fatally injured at 3:15 p. m. Friday on a mile east of Meadville. While on Route 21, when he fell from a moving truck enroute home from Titusville. He died within five minutes of the accident from a fractured skull, broken neck and fracture and dislocation of the left shoulder. An employee of the Keystone Construction Co., of Meadville, Glancy was riding in a stake body truck being driven by Clair L. Schmarz, 43, of Meadville. According to information given to State Police by four fellow employees with whom Glancy was riding, he got up from his seat to talk to another man. He tripped over a jack on the floor and was pitched over the right side of the truck, four feet and nine inches to the ground. Carried along by the momentum of the truck, he was said to have run along the back about five yards before he fell headlong and tumbled over and over for about 10 yards more.

## New Process Co. Picnic Is Much Enjoyed

Nearly half a thousand employees were guests of New Process Company at the annual summer outing held last Friday afternoon and evening at Celoron Park.

The local mail order firm took over the entire amusement park and provided free rides on everything, free roller skating and motor boat trips and then was host at a delicious smorgasbord, served by Mr. and Mrs. Gust LeVan in the Pier Ballroom. Miss Donalyn Beard provided accordion and vocal entertainment and led group singing to the great enjoyment of the crowd.

The evening was given over to dancing to the music of Bernie Cummings and his famous orchestra, engaged by New Process Company for its employees.

Highlighting the outing was the induction of eight new members into the "25-Year-Club," made up of employees who have completed at least a quarter of a century of service with New Process Company. Those who rounded out 25 years with the firm since the 1927 outing and who were presented with wrist watches by President John L. Blair were: Bernadette Watkins, Melvin G. Keller, Edith Nelson Abbott, Mildred Franz Thayer, Agnes Swanson, Alice Pearson Forbes, Madeline Magnuson, and Raymond H. Elliott.

Others who have been with the company for periods ranging from 26 to 38 years in the order of their date of employment are: John L. Blair, Helen A. Maher, Harold W. Blair, Mildred Maher, Lester A. Blair, Clara Johnson, Harold Putnam, Ralph L. Owens, Chester C. Park, Ethel Lester, Georgia M. Bole, Max Saunders, Dorothy Sprunger, Berenice Schott, Donald E. McComas and Ellen Morrison. During the past year one member, Irene E. Spade, passed away.

The picnic was in charge of "Jack" Blair, personnel director, assisted by Melvin Keller, Max Saunders and Ralph Owens.

## County Units Score High In Kane Parade

Kane Republican Mt. Jewett's crack band today emerged with top prize money in band competition here Friday night in the big Firemen's Parade on basis of an error in subtraction on judges' score sheets. As result of the error, only two top positions were changed with the Smethport High School band given a second place.

Friday night immediately following the parade, initial reports gave top place to the Smethport school band. Each score sheet on playing ability, cadence and other points was rechecked for final results which were as follows:

Band—first, Mt. Jewett, second, Smethport High School.  
Fire Companies—first, Brockway; second, Central of Johnsonburg.

Fire Company with most men in parade, Mt. Jewett.

Drum Corps—first, Port Allegany; second, Redway.  
Ladies Auxiliaries—first—Coudersport; second, Clarendon.

Longest Distant—Coudersport.  
Best Fire Equipment—J. E. DuBois Company, DuBois.  
Best Other Equipment, Youngsville Fire Department.

The parade committee conferred with numerous units on the scoring especially the crack Armstrong Drum Corps of Johnsonburg. The unit from that place was desirous of checking its demerits as result of plans to enter competition in Philadelphia.

The system provided three judges for each phase of competitive points. The points listed by each judge were compiled for the totals.

Dr. J. T. Valone will be out of his office from July 26 to August 9.

#### RELIEF RISE

The first rise in Pennsylvania's general assistance rolls since February was shown in the week ending July 17 when a net increase of nine cases was recorded. The rise is considered only temporary, according to the office of Frank A. Robbins, Jr., secretary of public assistance. Many manufacturing industries finish off their current lines in June and close down for periods of from two to four weeks for vacations and switchovers. Warren county's assistance load shows 274 cases numbering 335 persons, most of which are old-age and blind pension recipients.

### DIES IN CLEVELAND

Mr. and Mrs. John Kraft and son, Robert, of Lanning Hill, have returned from Cleveland, Ohio, where they were called by the death of Mr. Kraft's mother.

### ANNUAL LOLETA PICNIC

Plans are being made again this year for an Old-Timers picnic to be held for all former Loleta residents on Sunday, Aug. 1, at Loleta. A large crowd is expected this year at the Loleta reunion. The day will be spent in swimming and games and visiting with everyone.

### BARBER SHOPPERS TO MEET

The Warren chapter of the Barber Shop Singers of America will meet this evening at the YMCA for regular business session and rehearsal. It is expected reports will be received on progress of plans for the "parade" to be held in Warren October 9th. All members are urged to be present.

### NEW TAX

Youngsville borough council has passed an ordinance assessing a \$5 per capita tax for general borough purposes upon all citizens of that town over the age of 21. The new tax is in addition to all present taxes in effect and becomes in force and effect as of Thursday, July 22.

### LEARNED HER LESSON

According to the Corry Journal a first ward woman who is known for her fondness of pet animals, while driving near town with her husband Thursday evening, noticed a small skunk and attempted to capture the mischievous polecat in the hope of domesticating it. The skunk was more mature than she had judged and as she attempted to lift it by the tail, it gave her a complete shower, abruptly ending the effort to acquire a new pet for the East Pleasant street home.

### NEW SPONSOR

An Associated Press dispatch from New York says a contract under which the Kaiser-Frazer Sales Corp. will sponsor Walter Winchell's radio news commentaries two years starting next January first, has been signed. It was unofficially reported that Winchell will get \$1,350,000 for the two-year period. The cost of air time over stations on the American Broadcasting Company network will be additional. Winchell's present sponsor, the Jergens company, recently decided not to renew his contract.

### THREE CALLS

The fire department answered three alarms over the week end with none of the calls coming as a result of actual fire. On Friday evening shortly after 8 o'clock, the pavement on Second avenue near the YWCA was flushed when a car parked there was leaking gasoline from a hole in the tank. On Saturday afternoon, at 3:20 o'clock, the boys took a ride to 829 West Fifth avenue, where there was a natural gas leak reported in the house. Firemen turned off the hot water tank and reported the leak to the gas company. This morning at 6:18 o'clock they again went to 18 E. St. Clair street, where a refrigerator was leaking ammonia. Firemen carried the refrigerator outside and returned to stations at 6:44.

### CAPTURES TRUCK THIEVES

Merrill Patterson of Corry, driving toward Corry from Columbus at 8 o'clock Thursday night, passed a Chevrolet truck going in the opposite direction. He thought the truck was his which he parked in Corry five hours previously. It was Patterson immediately gave chase after the truck, which failed to stop as he attempted to flag it down. Taking a pistol out of the glove compartment of his car, he fired several shots into the air and the driver of the fleeing truck brought it to a halt at the side of the road. Three youths immediately jumped from the cab and fled into the brush, but Patterson was successful in apprehending a fourth boy who remained in the vehicle. Taken to the Corry State Police sub-station the youngsters revealed the names of his companions, who were picked up by officers and referred to the county juvenile court.

### PITCHED FROM TRUCK

Kenneth Glancy, 20, of R. D. 3, Conneautville, was fatally injured at 5:15 p. m. Friday about a mile east of Mount Hope on Route 27, when he fell from a moving truck enroute home from Titusville. He died within five minutes of the accident from a fractured skull, broken neck and fracture and dislocation of the left shoulder. An employee of the Keystone Construction Co., of Meadville, Glancy was riding in a stake body truck being driven by Clair L. Scharras, 43, of Meadville. According to information given to State Police by four fellow employees with whom Glancy was riding, he got up from his seat to talk to another man. He tripped over a jack on the floor and was pitched over the right side of the truck, four feet and nine inches to the ground. Carried along by the momentum of the truck, he was said to have run along the berm about five yards before he fell headlong and tumbled over and over for about 10 yards more.

## New Process Co. Picnic Is Much Enjoyed

Nearly half a thousand employees were guests of New Process Company at the annual summer outing held last Friday afternoon and evening at Celoron Park.

The local mail order firm took over the entire amusement park and provided free rides on everything, free roller skating and motor boat trips and then was host at a delicious smorgasbord, served by Mr. and Mrs. Gust LeVan in the Pier Ballroom. Miss Donaldyn Baird provided accordion and vocal entertainment and led group singing to the great enjoyment of the crowd.

The evening was given over to dancing to the music of Bernie Cummins and his famous orchestra, engaged by New Process Company for its employees.

Highlighting the outing was the induction of eight new members into the "25-Year-Club," made up of employees who have completed at least a quarter of a century of service with New Process Company. Those who rounded out 25 years with the firm since the 1947 outing and who were presented with wrist watches by President John L. Blair were: Bernadette Walters, Melvin G. Keller, Edythe Nelson Abbott, Mildred Frantz Thayer, Agnes Swanson, Alice Pearson Forbes, Madeline Magnuson, and Raymond H. Elliott.

Others who have been with the company for periods ranging from 23 to 24 years in the order of their date of employment are: John L. Blair, Helen M. Maher, Harold W. Blair, Mildred Maher, Lester A. Blair, Clara Johnson, Harold Putnam, Ralph L. Owens, Chester C. Park, Ethel Lester, Georgia M. Bole, Max Saunders, Dorothy Springer, Berenice Schott, Donald E. McComas and Ellen Morrison. During the past year one member, Irene E. Spade, passed away.

The picnic was in charge of "Jack" Blair, personnel director, assisted by Melvin Keller, Max Saunders and Ralph Owens.

## County Units Score High In Kane Parade

Kane Republican: Mt. Jewett's crack band today emerged with top prize money in band competition here Friday night in the big Firemen's Parade on basis of an error in subtraction on judges' score sheets. As a result of the error, only two top positions were changed with the Smethport High School band given a second place. Friday night immediately following the parade, initial reports gave top place to the Smethport school band. Each score sheet on playing ability, cadence and other points was rechecked for final results which were as follows:

Band—first, Mt. Jewett; second, Smethport High school.  
Fire Companies—first, Brookway; second, Central of Johnsonburg.  
Fire Company with most men in line—Mt. Jewett.  
Drum Corps—first, Port Allegany; second, Ridgway.  
Ladies Auxiliaries—first—Coudersport; second, Clarendon.  
Longest Distant—Coudersport.  
Best Fire Equipment—J. E. DuBois Company, DuBois.  
Best Other Equipment, Youngsville Fire Department.  
The parade committee conferred with numerous units on the scoring especially the crack Armstrong Drum Corps, of Johnsonburg. The unit from that place was desirous of checking its demerits as result of plans to enter competition in Philadelphia.  
The system provided three judges for each phase of competitive points. The points listed by each judge were compiled for the totals.

NOTICE  
Dr. J. T. Valone will be out of his office from July 23 to August 9.

## Community Party Plans Are Complete

The annual community party for all ages, highlight of the summer season for several years past and one of the outstanding activities of the Community PTA party committee, has been scheduled for Friday, July 30.

The place will be Beatty Junior High School, the schedule getting under way with a band concert given under the direction of Harry Summers. This feature will begin on the school lawn at 7:30 p. m., and will be followed by a movie at 8:30 in the school auditorium, with Frank Russell in charge.

There will be dancing from nine until midnight on Beatty court, with Don Wood's Band providing the music. The World Whirl is the general theme selected for the evening by the co-chairmen, Connie McNulty and Charles Niederlander. Ten o'clock is the hour set for the big floor show, with Lois Hulings, Eugenia Price and Peggy Henderson working out the details with Mrs. Marshall Morrow planning and directing.

Mrs. Walter Mathyer, chairman of the community party committee, advises that the best of all the events will be scheduled indoors.

**RED & WHITE PICNIC**  
Thousands from Warren county communities joined the great throng that attended the annual Red & White picnic at Celoron Park Sunday afternoon and evening. The huge grove and surrounding parking areas were filled with automobiles throughout the day. The free attractions topped by a balloon ascension and parachute jump, under the auspices of the Allen family were greatly enjoyed. Free coffee, cream and sugar were served from the pavilion in the grove.

**"Blessing on the Day 'I Found Tru-Aid' -- Her Rheumatic Pains End!"**

One lady recently took TRU-AID three days and said afterward that she never would have believed such a "wonder medicine" existed. She said she couldn't raise her left arm more than a few inches. Rheumatic pains afflicted the muscles of her shoulder and arm. She could hardly move the fingers on her left hand. Now this lady's rheumatic pains are gone since she got TRU-AID and she says she can use her left arm as well as her right. In fact she says she simply blames the day she got this medicine and she feels like an altogether different woman.

TRU-AID is the new liquid formula containing three valuable medical ingredients. These Three Great Medicines, all blended into one, go right to the very cause of rheumatic and neuritic aches and pains. Miserable people soon feel different all over. So don't go on suffering! Get TRU-AID. Sold by All Drug Stores here in Warren.

"J. D. Thatcher," Dr. Stokes said. "Archibute, call Attorney J. D. Thatcher at once. Come on, let's go down to your headquarters and get it over with. I have an engagement tonight."

We rode in silence to the police station and got out and went in at the main door. Holmgren knocked at a heavy door marked HOMICIDE DETAIL, then pushed the door open and waved for us to come in.

## Weekend Is Busy One For Boro Police

Police activities over the weekend consisted of the investigation of the usual number and variety of calls, including accidents and traffic violations.

Patricia Feronti, aged 15, of 6 Elm street, was painfully bruised about noon on Friday when the bicycle which she was riding was badly damaged at the intersection of Pennsylvania avenue, east, and Franklin street. The bike was crowded between a truck owned by Robert Punsky and operated by C. W. Reast, and a parked car. Police investigated but made no arrests.

Eight arrests were made for stop sign violations on Friday and three on Saturday.

Saturday, shortly after noon, cars operated by Robert T. Shield, of Tidoute, and Jerome C. Paul, of Clarendon RD 1, collided at Oak street and Pennsylvania avenue, east. Damage to each car amounted to about \$25.

Two calls were received from the Market street area because of a gang of disorderly boys. A man and wife who were doing battle at a local hotel had their spat settled by police who got them together to talk the affair over.

An east side man was arrested by city police on Saturday and charged before Judge M. Greenlund with contributing to the delinquency of a minor. Bail was furnished for his appearance at a later hearing.

**Files Tariffs For Recording Phone Device**  
The Bell Telephone Company of Pennsylvania has filed tariffs with the Pennsylvania Utility Commission and the Federal Communications Commission, providing for the use of telephone recording devices, effective August 2.

A short high "beep" repeated approximately every fifteen seconds will indicate to a telephone user that his conversation is being recorded. The "beep" is produced automatically when a recorder is attached and it is unlawful to use any recorded not equipped with this device.

The connection of voice recording machines has been authorized provided the "beep" signal is used to let the person at the other end of the line know that the conversation is being recorded.

## Plan Festival On Drake Well Anniversary

The 89th anniversary of the drilling of the Drake well near Titusville, will be marked August 23-29, with an "Oil Festival," sponsored by the Titusville Chamber of Commerce and the Bruce Shotts post, No. 5938, Veterans of Foreign Wars, of Titusville.

The four-day event will include a kiddies' matinee, ball, band concert, beauty contest, Old Timers' day, parade, ball game and fireworks.

The festival will begin Wednesday, August 25, with a kiddies' matinee at the show grounds followed by the evening with an oil festival ball with dancing from 9 p. m. to 1 a. m., sponsored by the Marine Corps league.

At 7 p. m., Thursday, August 26, there will be a band concert in Scheide park, Titusville, by the band of the Francis E. Borchard post, No. 1, Veterans of Foreign Wars, of Oil City. The evening will be highlighted with a "beauty contest" for the selection of the

oil queen to reign over Drake day.

The queen will be chosen from girls of Titusville and neighboring communities and will receive a wardrobe of clothing, jewelry, a corsage and make-up articles.

On Drake Day, Friday, Aug. 27, there will be an Old Timers' "get-together" followed by a parade at 6 p. m.

The parade will feature the oil queen and a division from which the man with the closest resemblance to Col. Drake will be chosen. The following prizes will be awarded: Bands, \$75, \$50 and \$25; drum and bugle corps, \$50 and \$25; floats, \$50 and \$25, and bicycles, \$10 and \$5.

Those interested in entering the parade are urged to contact Route 1, Drake, 336 W. Spruce St., Titusville, or Joseph Taylor, 229 E. Bloss St., Titusville. Entries must be made before August 24.

The final day of the observance Saturday, Aug. 28, will be marked with final games in the city's playground activities. In the afternoon, a ball game will be held between two outstanding teams and in the evening special activities will be held at the show grounds and an elaborate fireworks display will be presented.

## Community Party Plans Are Complete

The annual community party for all ages, highlight of the summer season for several years past and one of the outstanding activities of the Community PTA party committee, has been scheduled for Friday, July 30.

The place will be Beatty Junior High School, the schedule getting under way with a band concert given under the direction of Harry Summers. This feature will begin on the school lawn at 7:30 p. m., and will be followed by a movie at 8:30 in the school auditorium, with Frank Russell in charge.

There will be dancing from nine until midnight on Beatty court, with Don Wood's Band providing the music.

"The World Whirl" is the general theme selected for the evening by the co-chairmen, Connie McNulty and Charles Niederlander.

Ten o'clock is the hour set for the big floor show, with Lois Hulings, Eugenia Price and Peggy Henderson working out the details with Mrs. Marshall Morrow planning and directing.

Mrs. Walter Mathews, chairman of the community party committee, advises that in case of rain, all the events will be scheduled indoors.

Chapter 14

DR. STOKES was about to say something else but he didn't say it. He only stared at me, then at Holmgren, then at me again.

"May I inquire," he said, "just who it is I'm supposed to have murdered?"

"It's Richard Ealing, Doctor."

"Dick Ealing committed suicide," said Dr. Stokes.

"You killed him," I said.

"We've searched your house and we've found the evidence to prove the murder."

Either you two are fools or crooks. Any more talking on the subject will be done through my lawyer."

"And who's your lawyer?" said Holmgren.

"J. D. Thatcher," Dr. Stokes said. "Alchusez, call Attorney J. D. Thatcher at once. Come on, let's go down to your headquarters and get it over with. I have an engagement tonight."

We rode in silence to the police station and got out and went in at the main door. Holmgren knocked at a heavy door marked HOMICIDE DETAIL, then pushed the door open and waved for us to come in.

There was a big desk in the middle of the tiled floor, and several chairs were ranged along the walls. Behind the desk sat one of the biggest men I ever saw outside a circus.

"What you want?" the man asked Holmgren, twinkling little bright eyes at him.

"This is Mr. Yates, Winkle," said Holmgren. He didn't introduce the doctor. "We want to see Lieutenant Raniel."

Winkle's beady eyes crawled a little forward under their heavy

lids, then he walked, heavily but not clumsily, to a door behind him, and knocked twice.

The door opened and Winkle started to talk, but Holmgren moved forward. "I'll tell you what it's about, Raniel," he said. "Yates, you and the doctor make yourselves comfortable out here."

## Weekend Is Busy One For Boro Police

Police activities over the weekend consisted of the investigation of the usual number and variety of calls, including accidents and traffic violations.

Patricia Beronti, aged 15, of 6 Elm street, was painfully bruised about noon on Friday when the bicycle which she was riding was badly damaged at the intersection of Pennsylvania avenue, east, and Franklin street. The bike was crowded between a truck owned by Robert Punsky and operated by C. W. Reist, and a parked car. Police investigated but made no arrests.

Eight arrests were made for stop sign violations on Friday and three on Saturday.

Saturday, shortly afternoon, cars operated by Robert T. Shield, of Tidouste, and Jerome C. Paul, of Clarendon RD 1, collided at Oak street and Pennsylvania avenue, east. Damage to each car amounted to about \$25.

Two calls were received from the Market street area because of a gang of disorderly boys. A man and wife who were doing battle at a local hotel had their spat settled by police who got them together to talk the affair over.

An east side man was arrested by city police on Saturday and charged before Judge M. Greenlund with contributing to the delinquency of a minor. Bail was furnished for his appearance at a later hearing.

A short high "beep" repeated approximately every fifteen seconds will indicate to a telephone user that his conversation is being recorded. This "beep" is produced automatically when a recorder is attached and it is useful to use any recorded not equipped with this device.

The connection of voice recording machines has been authorized provided the "beep" signal is used to let the person at the other end of the line know that the conversation is being recorded.

The Bell Telephone Company of Pennsylvania has filed tariffs with the Pennsylvania Utility Commission and the Federal Communications Commission, providing for the use of telephone recording devices, effective August 2.

A short high "beep" repeated approximately every fifteen seconds will indicate to a telephone user that his conversation is being recorded. This "beep" is produced automatically when a recorder is attached and it is useful to use any recorded not equipped with this device.

# YEARS AGO IN WARREN

Interesting Items Taken From The Warren Evening Times

**1928**  
During the past spring twenty Warren county planters set out a total of 70,045 trees, according to information furnished by the Department of Forestry.

The petition of the Warren Street Railway company for right to operate its cars with one man each on the North Warren line, heard before a representative of the Public Service Commission at Erie yesterday, was opposed by the New York Central railroad on the grounds that operation of one-man cars over its railroad tracks is a menace, it was reported in Warren today.

Ten thousand tax statements will be mailed to taxpayers in Warren the first day of August, according to James S. Miller, Warren county collector.

Out of the seventy-five different boys who attended the Y camp on Lake Chautauque, Bob Crosssett was chosen as the best all around camper of the year.

**1938**  
One of the heaviest rainfalls of the season was recorded here late yesterday afternoon when nearly an inch of precipitation was reported in Warren and vicinity.

Because of the great expense of maintaining a constant guard over John G. Pons and Joe Senuskas, who are scheduled to die in the electric chair September 26, Warren county commissioners are attempting to make arrangements for their transfer to another prison where it would be less expensive to maintain a death watch.

A great deal of local interest is being manifested this weekend over the plans for the 15th annual Jamestown horse show, sponsored by the Moon Brook Saddle Club today and tomorrow in the show ring on North Main street extension.

## Letters to the Editor

We are taking the liberty of reprinting the following "Letter to the Editor" which appeared in the Titusville Herald last week because it is believed it contains a suggestion that has considerable merit, and will doubtless find many supporters among Times-Mirror readers.

Dear Sir—I would like to ask, is there not some way for Grand Valley to have an Old Home Day? For years Grand Valley Odd Fellows sponsored a Grand Valley picnic, one of the largest around. On some years 4,000 or more attended. I believe the men who have passed on would want the picnic kept up—men like A. R. Thompson, Tom Pagon, George Peck, Williston P. Wood, Frank Macdon, Charley Walters and Charley Allen. There are still plenty of good men in Grand Valley who want it.

People used to come to the Grand Valley picnic from Jamestown, N. Y.; Erie, Warren, Titusville and other places. I think it should be kept up.

Torpedo is not as large as Grand Valley and it still has an Old Home Day.

I, myself, was reared in Eldred township, of which Grand Valley is now a part.

ELBERT PRATT.

## LAND OF NEW OPPORTUNITY

When we oldsters were not so old, children, they used to tell us that America was the land of opportunity. But they also used to tell us that we should put in an honest day's work for a day's pay. And they planted in our tender, guileless minds the idea that the way to get ahead was to work hard, study hard, finish school and go to college if we could. That, they said, was the road to success and wealth in the land of opportunity.

Of course, children, that was vicious propaganda. Today, as you all know, everything has been changed for the better. America is still the land of opportunity. But now it's real opportunity, with all the exploitation and drudgery and other harmful irritants removed.

Today you can be comfortably rich and briefly famous without working and without knowing very much, reminds James Thrasher in an editorial written for NEA Service and the Times-Mirror. If you can guess the answer to "Who was called the Father of his Country?" the man is likely to come up and put in your little fat hand as much money as Joe DiMaggio gets for playing baseball all summer on a bum heel.

Think what it would have been like if you kids had been born before American genius gave us the radio quiz and give-away shows. Why, you probably would have had to sweat and slave for three years to earn as much as the lady got the other night for knowing when they stopped the music on "Stop the Music."

Maybe you tend to be slightly morose. That's all right, too. You don't need to know anything beyond your name and a smattering of English. For radio has lent to the tawdry practice of begging a glamor that it hasn't enjoyed since Otis Skinner played Hajj the Beggar in "Kismet."

You might try a program like "Strike It Rich." All you have to do is want money and be able to tell the jolly man at the microphone why you want it. The other night an ex-sailor wanted a tattoo removed from his arm because his wife objected to the scantily-clad figure thereon. He got \$135. Two longshoremen from Brooklyn had told their sister that she acted like a debutante. So she wanted to walk and talk like one. She won \$50 and a free course at a "success school."

To the poor unfortunate lover, tired of courting his young lady in her parents' combination living room-bedroom, went \$100 to buy a separating door. Hooray for privacy and hooray for love! There was an old woman who lived in an old-fashioned house with an old-fashioned bathtub. She got \$200 to buy a shower. Vive el sanitation!

Why work and worry? Why study and strive? Just dream a dream of money and then head for the big city, the broadcast studio, and a great big slice of fortune on the house. Or, if that's too much trouble, pick a different program and wait for the telephone to ring.

There's only one flaw in our pretty picture. Some folks have stirred up trouble in paradise by working. What's worse, they're working the quiz winners. You probably heard about the \$39-a-week man and his wife who hit the quiz jackpot for \$7800. The real estate agents and charity solicitors and just people with their hands out descended on them like locusts. For a few horrible hours the young couple actually thought of giving the money back.

But these are little bugs in our utopian machinery that can be easily worked out. Surely the combined advertising brains of this country, which have thought up such various and clever ways of giving away money, can devise a publicity campaign that will put down this work nonsense in short order.

What's that, Tommy? You're going to be a radio contest winner when you grow up? Well, that's a fine ambition for a fine big boy. You watch Tommy, children, he'll go far. Yes, sir, he's got the modern American spirit.

The entertainment industry is in the throes of its worst slump since depression days. It may be necessary to revise the song title, "There's No Business Like Show Business," by eliminating the last three words.

Another month will find the rural community fairs in full swing, and according to advance information, Warren county exhibits will exceed anything yet attempted.

Looks like everything will be set to play football at the War Memorial stadium this fall. Another week should find the plot completely fenced in.

In case you have forgotten—this is "Turnip Day" in Missouri and Washington!

Looks like Boston is a safe bet for at least some, if not all the World Series games this fall.

## YEARS AGO IN WARREN

Interesting Items Taken From  
The Warren Evening Times

1923

During the past spring twenty Warren county planters set out a total of 70,045 trees, according to information furnished by the Department of Forestry.

The petition of the Warren Street Railway company for right to operate its cars with one man each on the North Warren line, heard before a representative of the Public Service Commission at Erie yesterday, was opposed by the New York Central railroad on the grounds that operation of one-man cars over its railroad tracks is a menace, it was reported in Warren today.

Ten thousand tax statements will be mailed to taxpayers in Warren the first day of August, according to James S. Miller, Warren county collector.

Out of the seventy-five different boys who attended the Y camp on Lake Chautauque, Bob Crossett was chosen as the best all around camper of the year.

1938

One of the heaviest rainfalls of the season was recorded here late yesterday afternoon when nearly an inch of precipitation was reported in Warren and vicinity.

Because of the great expense of maintaining a constant guard over John G. Polens and Joe Senauskas, who are scheduled to die in the electric chair September 26, Warren county commissioners are attempting to make arrangements for their transfer to another prison where it would be less expensive to maintain a death watch.

A great deal of local interest is being manifested this weekend over the plans for the 15th annual Jamestown horse show, sponsored by the Moon Brook Saddle Club today and tomorrow in the show ring on North Main street extension.

## Letters to the Editor

We are taking the liberty of reprinting the following "Letter to the Editor" which appeared in the Titusville Herald last week because it is believed it contains a suggestion that has considerable merit, and will doubtless find many supporters among Times-Mirror readers:

Dear Sir:—I would like to ask, is there not some way for Grand Valley to have an Old Home Day? For years Grand Valley Odd Fellows sponsored a Grand Valley picnic, one of the largest around. On some years 4,000 or more attended. I believe the men who have passed on would want the picnic kept up—men like A. E. Thompson, Tom Fagon, George Peck, Williston P. Wood, Frank Haehn, Charley Walters and Charley Allen. There are still plenty of good men in Grand Valley who want it.

People used to come to the Grand Valley picnic from Jamestown, N. Y., Erie, Warren, Titusville and other places. I think it should be kept up.

Torpedo is not as large as Grand Valley and it still has an Old Home Day.

I, myself, was reared in Eldred township, of which Grand Valley is now a part.

To BUILD the mighty Air Power that the American people want, your Air Force calls for volunteers.

The Air Force is a volunteer service today, and it will continue to be so. Its standards are high. Only the best type of American youth—mentally, morally and physically—can service and fly the planes now blazing new trails to peace and security.

If you are such a man, your Air Force offers you an exceptional career—with high pay, interesting work, chances for advancement and security that are seldom equaled.

Men who volunteer for 3, 4, 5 or 6 years will receive the world's finest aviation training. They will have the opportunity to become specialists in communications, jet propulsion, mechanics and dozens of other thrilling and valuable jobs. An Airman who qualifies for a technical grade can earn the equivalent of \$4000 to \$5000 a year in net civilian pay.

Under the new Selective Service Act, 15,000 18-year-olds within limited monthly quotas may volunteer for service in the Air Force for one year.

While it may be necessary to restrict general Air Force enlistments in coming months, there will be no restrictions on the re-enlistment of former airmen who apply within 90 days of the expiration of their current enlistment period.

Selective Service defers high school students until graduation, college students until the end of the school year. So finish your education and plan to come into the Air Force as a volunteer.

ROOM 207, POST OFFICE BUILDING — WARREN, PA.

Full information about these opportunities for volunteers can be secured at any Air Force Base or Army and Air Force Recruiting Station.

## State Police Probe Three Car Accidents

Four persons were injured, three seriously enough to require hospitalization, and damage estimated at more than \$1500 was caused in three traffic accidents investigated by Pennsylvania State Police on district highways over the week end.

Most serious of the crashes occurred on the Warren-Jamestown road a mile north of the borough line Saturday at 12:05 a. m. Police said Jack Lane, 20, of Tiona, was proceeding south on the three lane highway and when he attempted to pass another car, his machine swerved into the third lane and side-swiped a northbound machine operated by Stephen Maze, of 219 Center street, Warren.

Taken to Warren General Hospital were Mrs. Dorothy Maze, 38, who suffered possible fracture of the nose and had two teeth knocked loose, and Lane, who received abrasions about the forehead and right side of the face. Mrs. Maze was still undergoing treatment at the hospital today, while Lane received emergency care and was sent home.

Damage to the two cars was estimated at \$1000.

A second crash Saturday morning at 11:50 a. m. on the Kinzua road at Jim's corner, nine miles east of Warren, also sent two persons to the hospital.

Police said the mishap occurred when Arthur C. Bentley, 76, of Kinzua, pulled onto Route 50 into the path of a northbound machine operated by Layton VanDyke, of 339 Congress street, Bradford. Bentley and a passenger, George A. Beck, 70, of Sheffield, were taken to the Warren hospital where they were still undergoing treatment today. Bentley received a lacerated left ear and contusions of the face and scalp and four fractured ribs.

Damage to the cars was estimated at \$500.

Police also investigated a one-car accident on a sharp curve in Route 6 at Irvine near the Pennsylvania Railroad (Buffalo division) crossing this morning at 1:10 o'clock.

Police said the driver, Robert H. Persch, 25, of Sheffield, told them he was traveling toward Warren and that a westbound car rounded the curve in the center of the highway and forced him off the pavement. His car ran into a ditch and overturned.

Persch escaped unhurt, and only minor damage was caused to the machine.

## State Police Probe Three Car Accidents

Four persons were injured, three serious enough to require hospitalization, and damage estimated at more than \$1500 was caused in three traffic accidents investigated by Pennsylvania State Police on district highways over the week end.

Most serious of the crashes occurred on the Warren-Jamestown road a mile north of the borough line Saturday at 12:05 a. m. Police said Jack Lane, 20, of Tiona, was proceeding south on the three lane highway and when he attempted to pass another car, his machine swerved into the third lane and side-swiped a northbound machine operated by Stephen Maze, of 219 Center street, Warren.

Taken to Warren General Hospital were Mrs. Dorothy Maze, 38, who suffered possible fracture of the nose and had two teeth knocked loose, and Lane, who received abrasions about the forehead and right side of the face. Maze was still undergoing treatment at the hospital today, while Lane received emergency care and was sent home.

Damage to the two cars was estimated at \$1000.

A second crash Saturday morning at 11:59 a. m. on the Kinzua road at Jinx's cabins, nine miles east of Warren, also sent two persons to the hospital.

Police said the mishap occurred when Arthur C. Bentley, 76, of Kinzua, pulled onto Route 59 into the path of a northbound machine operated by Layton VanDyke, of 339 Congress street, Bradford.

Bentley and a passenger, George A. Beck, 70, of Sheffield, were taken to the Warren hospital where they were still undergoing treatment today. Bentley received a lacerated left ear and contusions, and Beck sustained lacerations of the face and scalp and four fractured ribs.

Damage to the cars was estimated at \$500.

Police also investigated a one-car accident on a sharp curve in Route 6 at Irvine near the Pennsylvania Railroad (Buffalo division) crossing this morning at 1:10 o'clock.

Police said the driver, Robert H. Persche, 23, of Sheffield, told them he was travelling toward Warren and that a westbound car rounded the curve in the center of the highway and forced him off the pavement. His car ran into a ditch and overturned.

Persche escaped unhurt, and only minor damage was caused to the machine.

With the former's parents, Mr. and Mrs. A. E. Johnson, Water street, returning home on Sunday.

## Fun-Fests Slated For Warren Area

Two sports events in the light-er vein will be offered to area fans this week and a third on Saturday, Aug. 14—and they'll be for good causes.

Tomorrow night, donkey baseball will be played on the old ball park in Sheffield under auspices of the Sheffield Veterans of Foreign Wars. The game will start at 7 p. m. with the proceeds to be used to help pay for new band uniforms.

Contestants will be the Has-beens, comprised of the "middle-aged" residents of Sheffield, and the Neverses, or members of the Sheffield Vets softball team to disfigure.

On Saturday night of this week, a donkey softball game will be staged on Russell field, Warren, between the Cooties and the Warren All-Stars. Game time will be 7:15 p. m.

This fun-fest is under sponsorship of the Warren Hay Rake-up Tent No. 40, Military Order of Cooties, Veterans of Foreign Wars. Proceeds will be used to provide entertainment and recreational facilities for war veterans at the State Hospital in North Warren.

It promises to be an evening packed with plenty of laughs. All of the players except the pitcher and catcher are mounted on donkeys and they must ride from base to base. The donkeys are Santa Fe bred burros which have been specially trained at the famous Green Valley farms in Missouri. Each donkey has a kind of its own and all of them have different traits and characteristics so they have been named after famous personalities.

According to Miss Billie Beard, the Counselor, who is here working with the M. O. C., the string of donkeys which will be used in the game here will arrive by truck with their trainer on the afternoon of the game and they will be paraded through the business district prior to the game. You can distinguish the donkey named Dick Tracey by his jutting jaw; Alse West is the gal with a mind of her own, Superman is little but mighty; Gypsy Rose Lee is the gal who won't keep anything on, not even good ball players; Frank Sinatra is the name given the biggest Hoe-Haver in the lot; Mr. Mifflin is not as gentle as his name would indicate; Miss America is the one with the million dollar legs and tapering ears; Betty Grable is the one who is fat in the best places; Grace Gertie and Baby Sparkle have B. O. Plenty. All the donkeys are worth seeing and plenty of excitement is promised those who attend the game.

The third event slated for entertainment is the annual Old Timers baseball game to be played at the State Hospital diamond in North Warren on Saturday, Aug. 14.

Proceeds from this gala event will go to help swell the Crippled Children's fund of the Warren Veterans Club.

Guest star for the game will be Nick Altrock, present coach of the Washington Senators and nationally known baseball clown. After the Old Timers have wobbled through four or five innings, they will yield the diamond to the National Forge and Coney Merchants for a regulation ball game.

## National Forge Tops DuBois Nine But Loses To Black Ash; Shortstop Is Seriously Hurt

National Forge split even in two baseball tussles over the weekend defeating the DuBois Nelsors, 5-1, on the State Hospital field Saturday afternoon and dropping a 3-1 verdict to the Black Ash Sportsmen on the Black Ash field Sunday.

Diz Hines was the winning hurler for the Forge in its first meeting of the season against the DuBois squad. He fanned 10 men, issued only one walk, and was nipped for five singles and a double by Wray. Kolash, DuBois slant, turned in a creditable performance for his squad, but errors by his teammates, especially on and play balls around second base led to his downfall.

The N. F. O. battle with Black Ash was the rubber match of the series. Black Ash having won the first tussle, 9-0, while the Irvine crew took the second meeting by a 5-3 score.

Feature of yesterday's game was a tight pitching duel, between Dean Whitaker for the Forge and Armstrong for the Ash nine. Dean had a no-hitter on the five going into the sixth frame when the home team exploded for three runs. E. Smith's double which scored two runs, proved Black Ash with its victory margin.

Forge scored its lone marker in the ninth, and had the tying runs on base, but Armstrong pitched himself out of a tight squeeze by fanning both Hines and Massa. Petrowski started things off with a single. Ananea, pinch-hitting for Morrison, singled and Rosequist walked to load the sack. Hines, batting for Frisina, fanned. Brown fied deep to center, with Petrowski scoring after the catch. Massa then whiffed the breeze to end the inning.

Aubrey McClelland, 26-year-old Black Ash shortstop, was struck on the head by a pitched ball in the fifth inning. He was taken to the Titusville hospital where his condition is regarded as serious. He will undergo X-ray examination today to determine the extent of the injuries.

National Forge will face the Tidoute Merchants at Tidoute Wednesday night at 6 o'clock and the Ludlow Wildcats at the State Hospital field in North Warren next Saturday afternoon. No game is booked for next Sunday.

### Lesnevich Picked To Flatten Mills

London, July 26—(P)—Within a few hours now, light heavyweight Champion Gus Lesnevich more than likely will find himself the object of a fistful of gold in which strong men will get trampled.

All the mild veteran from Cliffside Park, N. J., needs do to set off the spark is to bash Britain's Freddie Mills tonight at White City—and he generally is expected to do that well within the 15-round limit of the 175-pound title bout. The fight is scheduled to start between 8:30 p. m. and 4 p. m. (EST).

From the moment Gus' arm is lifted in victory—conceding he fulfills expectations—he is certain to be one of the most sought-after pugilists in the record book.

Mike Jacobs' Twentieth Century Sporting Club will want to use Lesnevich as the golden lure to bring Joe Louis out of his recent-ly announced retirement.

## Glendora Trims Sheffield Vets, 6-3, In 10-Inning Tilt

Glendora Coffee baseballers of Warren notched three markers in the 10th frame to break-up a 3-3 deadlock and defeat Sheffield Vets, 6-3, in non-league tussle yesterday at Sheffield.

Smoky Bennett had his fast ball really hopping as he whiffed 18 Sheffield swatters, gave up three walks, and scattered five safeties over the route. Petruny, toting the rubber for the Vets, fanned eight men, gave up five free passes and was nipped for six safeties.

Glendora took a 3-1 lead in the fifth round when Salerno doubled with two on. Sheffield tied it up in the ninth, but the coffee squad came right back with its three-run spurt on two hits, two walks and two errors in the 10th to win.

Dick Reed was the batting star for Glendora, getting two singles and a double in five tries at the plate.

## Berardi Poles Home Run As Greenes Win

John Berardi slammed a circuit blow with two mates aboard in the third frame to lead G. G. Greenes to a 3-5 triumph over Sugar Grove in a Junior Baseball League tilt on the West Side field Saturday.

The game was the playoff of a scrap postponed from Thursday, July 15.

Guy Bearfield was the winning moundman, fanning seven men, walking three and yielding five safeties. He also starred at the plate with a brace of doubles. Frank and D. Burch shared the hurling chores for Sugar Grove.

## Hogan Comes From Behind To Cop First

Reading, July 26—(P)—There's nothing like a little pressure to make a man play good golf, says little Ben Hogan, the horsey better with the Texas twang.

The little pressure Hogan was talking about was just a matter of five strokes he trailed the field starting the final round yesterday in the \$15,000 Reading open.

Hogan, driving in his accustomed long style and chipping like a master, fired an eight-under-par 31-35 to overtake pacesetter Freddy Haas, Jr. New Orleans, La., and take down first place money of \$2,600. He had a 72-hole total of 269.

Haas, only two years in the pro-ranks, apparently hasn't learned how to take large galleries. He shared or held the lead through three rounds only to let temperment get the better of him when the chips were down. However, Haas picked up \$1,900 for his second best effort.

Clayton Heafner, Charlotte, N. C., had \$1,400 third place money to buy his new baby girl lots of pairs of shoes. The burly Carolinian totaled 271. Demaret and South African Bobby Locke dead-locked for fourth money (\$900 each) with 272's.

Streamlining has greatly simplified the job of car washing.

## Red Sox Climax Seven-Week Spurt to Gain Leadership

By JOE REICHLER Associated Press Sports Writer

Joe McCarthy's blazing Boston Red Sox were riding herd on the American League today after achieving a baseball feat almost equal to that of the Boston Braves' wonder team of 1914.

The Red Sox yesterday climaxed a sensational seven-week surge from a dismal seventh to first place — giving Boston teams the leadership in both major leagues.

The Sox wrested the No. 1 berth from the Philadelphia Athletics by defeating the Cleveland Indians 5-0, for their 12th straight victory. Meanwhile, the Athletics divided a doubleheader with the Detroit Tigers.

The ride from 10 games back to the top was reminiscent of George Stallings' Miracle Braves of 34 years ago who jumped from a cellar on July 4 to capture the National League flag.

Joe Doherty, veteran curveballing right-hander, gained the honor of pitching the Sox into first place. He scattered six hits to chalk up his 12th triumph.

Boston wasted little time in clinching the windup of the three-game series with the Tribe, scoring twice against Steve Gromek in the first inning on a double by Johnny Pesky, a walk to Ted Williams and a triple by Bobby Doerr to deep right center. The

### PONY LEAGUE

By The Associated Press

The Lockport Reds are back in the PONY League saddle after sweeping a three-game series with the seventh place Olean Oilers.

Jamestown's Falcons, league champions last year, were half a game ahead of the Reds after a double victory over the Batavia Clippers Saturday, 1-0 and 3-2. But 7-2 Clipper revenge last night dropped the Falcons behind the Reds.

Ten was the lucky number in three other games yesterday. The Red-Oiler score was 10-5. The Bradford Blue Wings downed the Hamilton Cardinals 10-1, while the Wellsville Red Sox stepped on the Horrell Maple Leafs 10-2.

Norm Bell pitched a one-hitter for the Reds as they shut out the Oilers, 5-0 Saturday.

Other Saturday victors were Wellsville over Hornell, 10-8, and Hamilton over Bradford, 5-4.

Today's games: Hamilton at Olean; Lockport at Bradford; Horrell at Jamestown; Wellsville at Batavia.

## U. S. Athletes At Their Peak Trainers Say

London, July 26—(P)—The final three days of training before the start of the Olympic games found most United States athletes at their peak today.

"Our fellows are ready right now," said Dean Cromwell, the head track coach. "Most of them are becoming a bit impatient."

He called for some time trials and throws for distance today. The squad then will taper off for the grandeur of Thursday afternoon when 5,000 athletes of 61 nations take part in the opening ceremonies at Wembley Stadium. Competition begins Friday morning.

King George will proclaim the opening of the games. There'll be a fanfare of trumpets, thousands of pigeons will be released and a British runner—last of the hundreds who carried the torch from Greece—will enter the stadium and light the Olympic flame. The first Olympic games since 1936 will be underway.

For two weeks the greatest gathering of world athletes of our time will compete in 17 separate fields of activity for international honors.

The United States apparently will dominate the track and field games as it has in past Olympics. In other sports, however, it is hardly the favorite. The soccer team probably will lose its first game. The U. S. is matched against Italy, a co-favorite with Sweden to win the soccer title.

## MIDDLE ATLANTIC

By The Associated Press

Both leading teams lost their Middle Atlantic baseball league games yesterday, first-place Vandergrift being trimmed 14-7 by Johnstown and Erie edging out a 6-5 win over second-place Uniontown.

Meanwhile, New Castle was beating Oil City 15-11 in a slugfest and Butler was having little trouble winning over Youngstown 9-4.

Going into tonight's games Vandergrift has a 1½ game edge over Uniontown. Erie and Johnstown are virtually deadlocked for the next spot and both are five games back of Vandergrift. Johnstown with a 46-31 record holds third place with a .597 percentage while Erie has a .595 percentage on its record of 47 wins and 32 losses.

Hugh Grimshaw hit a grand-slam homer to lead Johnstown to its easy win over Vandergrift. Dick Ballestrini also hit a homer, his coming with two men on.

Bill Henry's single with two on in the 8th frame gave the runs it needed to defeat Uniontown. Oser limited the Barons to eight hits for his fifth win in six starts.

Butler ran its winning streak to three straight as the Yanks toppled Youngstown.

Pitcher Joe Karakul helped his own cause with a two-run homer as the New Castle nine outslugged Oil City. It was his sixth win against one defeat since joining the Chiefs.

In Saturday's games Oil City won two from Johnstown, 4-3 and 13-4. Butler walloped Uniontown 13-5. Erie beat Youngstown 2-1 and 9-1 and Vandergrift copped two from New Castle. The Pioneers won the first game 1-0 and the second 14-1.

## Berardi Poles Home Run As Greenes Win

John Berardi slammed a circuit blow with two mates aboard in the third frame to lead G. G. Greenes to a 3-5 triumph over Sugar Grove in a Junior Baseball League tilt on the West Side field Saturday.

The game was the playoff of a scrap postponed from Thursday, July 15.

Guy Bearfield was the winning moundman, fanning seven men, walking three and yielding five safeties. He also starred at the plate with a brace of doubles. Frank and D. Burch shared the hurling chores for Sugar Grove.

## SPORTS

## Fun-Fests Slated For Warren Area

Two sports events in the light or vein will be offered to area fans this week and a third on Saturday, Aug. 14—and they'll be for good causes.

Tomorrow night, donkey baseball will be played on the old ball park in Sheffield under auspices of the Sheffield Veterans of Foreign Wars. The game will start at 7 p. m., with the proceeds to be used to help pay for new band uniforms.

Contestants will be the Hasbeens, comprised of the "middle-aged" daredevils of Sheffield, and the Neverwases, or members of the Sheffield Vets softball team in disguise.

On Saturday night of this week, a donkey softball game will be staged on Russell field, Warren, between the Cooties and the Warren All-Stars. Game time will be 7:15 p. m.

This fun-fest is under sponsorship of the Warren Hay Rake-up Tent No. 40, Military Order of Cooties, Veterans of Foreign Wars. Proceeds will be used to provide entertainment and recreational facilities for war veterans at the State Hospital in North Warren.

It promises to be an evening packed with plenty of laughs. All of the players except the pitcher and catcher are mounted on donkeys and they must ride from base to base. The donkeys are Santa Fe bred burros which have been specially trained at the famous Cherry Valley farms in Missouri. Each donkey has a hint of its own and all of them have different traits and characteristics so they have been named after famous personalities.

## National Forge Tops DuBois Nine But Loses To Black Ash; Shortstop Is Seriously Hurt

National Forge split even in two baseball tussles over the weekend, defeating the DuBois Nines, 5-1, on the State Hospital field Saturday afternoon and dropping a 3-1 verdict to the Black Ash Sportsmen on the Black Ash field Sunday.

Dix Hines was the winning hurler for the Forge in its first meeting of the season against the DuBois squad. He fanned 10 men, issued only one walk, and was nipped for five singles and a double by Wray. Kolash, DuBois slant, turned in a creditable performance for his squad, but errors by his teammates, especially on double-play balls around second base led to his downfall.

The N. F. O. battle with Black Ash was the rubber match of the series. Black Ash having won the first tussle, 9-0, while the Irvine crew took the second meeting by a 5-3 score.

Feature of yesterday's game was a tight pitching duel between Dean Whitaker for the Forge and Armstrong for the Ash nine. Dean had a no-hitter on the fire going into the sixth frame when the home team exploded for three runs. E. Smith's double which scored two runs, provided Black Ash with its victory margin.

Forge scored its lone marker in the ninth, and had the tying runs on base, but Armstrong pitched himself out of a tight squeeze by fanning both Hines and Massa. Petrowski started things off with a single. Ananea, pinch-hitting for Morrison, singled and Rosequist walked to load the sacks. Hines, batting for Frisina, fanned. Brown fell deep to center, with Petrowski scoring after the catch. Massa then whiffed the breeze to end the inning.

Aubrey McClelland, 25-year-old Black Ash shortstop, was struck on the head by a pitched ball in the fifth inning. He was taken to the Titusville hospital where his condition is regarded as serious. He will undergo X-ray examination today to determine the extent of the injuries.

National Forge will face the Tidouite Merchants at Tidouite Wednesday night at 6 o'clock and the Ludlow Wildcats at the State Hospital field in North Warren next Saturday afternoon. No game is booked for next Sunday.

According to Miss Billie Beard, the Counselor, who is here working with the M. O. C., the string of donkeys which will be used in the game here will arrive by truck with their trainer on the afternoon of the game and they will be paraded through the business district prior to the game. You can distinguish the donkey named Dick Tracey by his jutting jaw; Mae West is the gal with a mind of her own, Superman is little but mighty; Gypsy Rose Lee is the gal who won't keep anything on, not even good ball players; Frank Sinatra is the name given the biggest Red-Haver in the lot; Mr. Milquetoast is not as gentle as his name would indicate; Miss America is the one with the million dollar legs and tapering ears; Betty Grable is the one who is fat in the best places; Gravel Gertie and Baby Sparide have B. O. Plenty. All the donkeys are worth seeing and plenty of excitement is promised those who attend the game.

The third event slated for entertainment is the annual Old Timers baseball game to be played at the State Hospital diamond in North Warren on Saturday, Aug. 14.

Proceeds from this gala event will go to help swell the Crippled Children's fund of the Warren Kiwanis Club.

Guest star for the game will be Nick Altrock, present coach of the Washington Senators and nationally known baseball clown. After the Old Timers have wobbled through four or five innings, they will field the diamond to the National Forge and Corry Merchants for a regulation ball game.

**LESNEVICH PICKED TO FLATTEN MILLS**

London, July 25—(P)—Within a few hours now, light heavyweight Champion Gus Lesnevich more than likely will find himself the object of a fistful gold rush in which strong men will get trampled.

All the mild veteran from Cliffside Park, N. J., needs do to set off the spark is to bash Britain's Freddie Mills tonight at White City and he generally is expected to do that well within the 15-round limit of their 175-pound title bout. The fight is scheduled to start between 3:30 p. m. and 4 p. m. (EST).

From the moment Gus' arm is lifted in victory—conceding he fulfills expectations—he is certain to be one of the most sought-after pugilists in the record book.

Mike Jacobs' Twentieth Century Sporting Club will want to use Lesnevich as the golden lure to bring Joe Louis out of his recent-ly announced retirement.

Reading, July 26—(P)—"There's nothing like a little pressure to make a man play good golf," says Little Ben Hogan, the Hershey belter with the Texas twang.

The little pressure Hogan was talking about was just a matter of five strokes he trailed the field starting the final round yesterday in the \$15,000 Reading open.

Hogan, driving in his accustomed long style and chipping like a master, fired an eight-under-par 81-33-64 to overtake pacesetter Freddie Haas, Jr., New Orleans, La., and take down first place money of \$2,600. He had a 72-hole total of 239.

Haas, only two years in the pro-ranks, apparently hasn't learned how to take large galleries. He shared or held the lead through three round only to let temperment get the better of him when the chips were down. However, Haas picked up \$1,900 for his second best effort.

Clayton Heafner, Charlotte, N. C. pro, had \$1,400 third place money to buy his new baby girl lots of pairs of shoes. The burly Carolinian totaled 271. Demaret and South African Bobby Locke deadlocked for fourth money (\$900 each) with 272's.

Streamlining has greatly simplified the job of car washing.

## Glendora Trims Sheffield Vets, 6-3, In 10-inning Tilt

Glendora Coffee baseballers of Warren notched three markers in the 10th frame to break up a 3-3 deadlock and defeat Sheffield Vets, 6-3, in a non-league tussle yesterday at Sheffield.

Smoky Bennett had his fast ball really hopping as he whiffed 18 Sheffield swatters, gave up three walks, and scattered five safeties over the route. Petruny, toting the rubber for the Vets, fanned eight men, gave up five free passes and was nipped for six safeties.

Glendora took a 3-1 lead in the fifth round when Salerno doubled with two on. Sheffield tied it up in the ninth, but the coffee squad came right back with its three-run spurt on two hits, two walks and two errors in the 10th to win.

Dick Reed was the batting star for Glendora, getting two singles and a double in five tries at the plate.

**Local K. of C. Wins Softball League Scrap**

Colosimo came through with a hard single after two men were out in the ninth frame to drive in the winning markers for the Warren Knights of Columbus to nudge the Bradford Blue Wings down the K. of C. Pony Softball League tilt on the West Side field.

Aumer and Geigerich were credited with homers for the Warren aggregation, while Ishman clouted a four-sacker for the losers.

Batteries were: Papalia and Doherty for Warren; Wolfe and Hartnett for Bradford.

## Hobby Fair Is Planned For Playgrounds

Second big activity for the Warren borough playground schedule during July will be the annual Hobby Fair planned this week, with contests on the individual play areas at 2:30 p. m. Wednesday and finals at Beatty playground at the same hour on Thursday.

This contest is in the nature of an exhibit of all interesting hobbies enjoyed by the youngsters attending the playgrounds. The hobbies may be articles either collected or made by the contestants, including postage stamps, match holders, cigar bands, photographs, autographs, postal cards, airplanes, kites and various other items.

Judges will select winners in the following classifications: Most unique, neatest, largest collection, best arranged, most valuable and most educational.

In case of rain, each section of the Hobby Fair will be postponed until the following afternoon.

Despite unfavorable weather of last week, attendance remained high, with a total of 4,549. Of this total, Crescent remained at the top with 1,200, and Beatty was second with 1,129. Other areas reported the following totals: Lucy, 377; South Street, 354; West Side, 766; Home Street, 721.

Highlight of the week was the annual Pet Show, with 172 pets on the entry list and a total attendance of 655. Winners in this show will be announced tomorrow.

**MANY EMERGENCIES**

Six emergency cases were treated at Warren General Hospital over the weekend. On Friday, Sally Lyons, 1229 Pennsylvania avenue, west daughter of Toby Lyons, received a fractured left ankle when she fell from a car.

Chief Button, Warren RD 2, was treated for an injury to his right eye which was stepped on by a calf Friday. Blair Gunther, Jr., Fox Chapel, Pa., camping in Warren county, fractured his right leg in a fall from a beam on Friday. Herbert Quiggle, 407 West street, employed at Struthers-Wells, received a compound fracture of the right thumb, also on Friday. Constantine Spiridon, 203 Buchanan

## Hobby Fair Is Planned For Playgrounds

Second big activity for the Warren borough playground scheduled during July will be the annual Hobby Fair Day planned this week with contests on the individual play areas at 2:30 p. m. Wednesday and finals at Beatty playground at the same hour on Thursday.

This contest is in the nature of an exhibit of all interesting hobbies enjoyed by the youngsters attending the playgrounds. The hobbies may be articles either collected or made by the contestants including postage stamps, match holders, cigar bands, photographs, autographs, postal cards, airplanes, kites and various other items.

Judges will select winners in the following classifications: Most unique, neatest, largest collection, best arranged, most valuable and most educational.

In case of rain, each section of the Hobby Fair will be postponed until the following afternoon.

Despite unfavorable weather of last week, attendance remained high, with a total of 4,549. Of this total, Crescent remained at the top with 1,200, and Beatty was second with 1,129. Other areas reported the following totals: Lacy, 377; South Street, 354; West Side, 766; Home Street, 721.

Highlight of the week was the annual Pet Show, with 172 pets on the entry list and a total attendance of 655. Winners in this show will be announced tomorrow.

### MANY EMERGENCIES

Six emergency cases were treated at Warren General Hospital over the weekend. On Friday, Sally Lyons, 1129 Pennsylvania avenue, west, daughter of Toby Lyons, received a fractured left ankle when she fell from a car. Chief Buton, Warren RD 2, was treated for an injury to his right eye which was stepped on by a calf Friday. Blair Gunther, Jr., Fox Chapel, Pa., camping in Warren county, fractured his right leg in a fall from a beam on Friday. Herbert Quiggle, 407 West street, employed at Struthers-Wells, received a compound fracture of the right thumb, also on Friday. Constantine Spiridon, 203 Buchanan street, proprietor of the Blue and White restaurant, was treated for a lacerated left index finger which he caught in a mixer. Donald Dick, 8 Franklin street, was treated yesterday for a cut over his left eye received in a fall from the upper deck of a two story bunk.

### Obituary

Unless otherwise stated, visiting hours at Warren's funeral home are from 10 a. m. to 12: 2 to 4 and 7 to 8 p. m.

**EDWARD FLOYD CAMPBELL**  
Funeral services in memory of Edward Floyd Campbell, who died on Friday, were held at 9 a. m. today at St. Joseph's church, Father Alfred Bauer, singing the requiem mass. Interment followed in the family plot in St. Joseph's cemetery.

Those attending from away were Oren Campbell and daughter, Ann, Pine Grove, W. Va.; Mrs. Mary Campbell, Miss Alice Cronin, Buffalo, N. Y.

**MARIE C. KITTNER**  
Services in memory of Mrs. Marie C. Kittner, 324 Park street, were held from the Peterson Funeral Home at 2 p. m. Friday, conducted by Rev. McCurtis Allison, assistant pastor of First Lutheran church. Interment followed in Oakland cemetery, with the following:

Those attending from away were Oren Campbell and daughter, Ann, Pine Grove, W. Va.; Mrs. Mary Campbell, Miss Alice Cronin, Buffalo, N. Y.

When her parents told her they were going to take her to the Tony League game in Jamestown last night, Joan's first question was:

"Will there be any clowns like in the circus?"

"No, there'll be no clowns," her daddy told her. But he was wrong.

When they got to the ball park, they found Al Schacht, nationally known comedian of the diamond sport, ready to go into his act.

Schacht first picked a small boy from the audience to help him, and then motioned for Joan to come out on the field. A mock wedding ensued, with the boy answering the important question with an emphatic "No." And when it came to the kissing part, the boy blushed a deep red and made a bolt for the stands. Joan, grinning from ear to ear, performed her part like a veteran trouper, but when she returned to her seat, she promptly chided her daddy:

"I thought you said there weren't going to be any clowns."

Now Bill is having a tough time explaining how Schacht happened to be there.

Joannie Rice Gets Into Schacht's Act

Five-year-old Joan Rice, daughter of Warren Council President and Mrs. W. E. Rice, will probably remember her first organized base game for a good many years to come.

### Sen. Barkley Hears Group Of Democrats Invited To Conference at White House

(From Page One)

be for the purpose of "renewing our determination" to fight any effort to pass civil rights measures at the special session.

Russell said 21 senators will be invited to the meeting.

He said there will be another get-together after Mr. Truman reads his message to a joint session tomorrow.

Senator Barkley (Ky.), senate minority leader and Mr. Truman's vice-presidential running mate, headed the group of Democratic leaders invited to the White House.

Presidential Secretary Charles G. Ross said Mr. Truman would go over his message and discuss his legislative recommendations with the group. These recommendations include anti-inflation, housing, civil right, and other bills which Mr. Truman said he was calling congress back to consider.

Besides Barkley, others invited to the conference were:

Senator Lucas (Ill.), assistant minority leader; Rep. McCormack (Mass) assistant house Democratic leader; Senator McGrath (RI), Democratic national chairman; Reps. Priest (Tenn.), Kerwin (Ohio), and Murdock (Ariz), and Leslie Biffle, secretary to the senate Democrats.

As the White House arranged the Democratic party, Republican leaders of the senate and house majorities gathered this morning to discuss strategy for the session. They plan another meeting tomorrow after hearing Mr. Truman's program.

Anything or nothing may come out of this second extra session ever held in a presidential election year, for the members were far from happy about breaking into their vacation that started on June 19 and was to have lasted until December 31.

The president, who called the lawmakers back to work after labeling their record one of the worst in history, will confront them face to face tomorrow to outline what he wants.

He already has said he wants something done about the rising cost of living, among other things.

The "other things" probably will include many of Mr. Truman's previous legislative recommendations to which congress turned a cold shoulder. Among them:

Long-range housing, federal aid to education, broadening of social security coverage, a national health program, a higher minimum wage, anti-lynching, anti-poll tax, and anti-segregation legislation.

Revision of the new law allowing 205,000 displaced foreigners to enter the United States, and a \$65,000,000 loan to build New York headquarters for the United Nations.

All the expected proposals, except the one dealing with living costs, are in legislative shape to be acted on quickly if congress wants to act.

Mr. Truman was putting the finishing touches to his message today after a weekend Potomac river cruise aboard the presidential yacht Williamsburg.

In advance of his annual recommendations, congressional leaders predicted that the president will ask for power to impose price controls and rationing on selected cost-of-living items, such as meat.

There is no limit to how long congress can stay in session and no bounds, save constitutional re-

strictions, on what it may consider.

But the general consensus of senate and house leaders is that the lawmakers should be home-ward bound by Labor Day, if not sooner.

All the house members and one-third of the 96 senators are involved in this year's elections and they want to get home for campaigning.

Mr. Truman already has served notice that he will make the record of the 80th congress a major issue in his own bid for election in November. He called it one of the worst in history during his recent tour of the west, and he heaped more denunciations on it in his acceptance speech at the Democratic national convention.

The president and his vice-presidential running mate, Senator Alen W. Barkley, of Kentucky, will have an official personal hand in the congressional proceedings—president prodding the legislators to take action on his proposals, and Barkley leading the Democratic forces in the senate.

Officially, the new standard-bearers, Gov. Thomas E. Dewey of New York, and Gov. Earl Warren of California, will be out of the picture.

But unofficially, through their fellow—Republicans in congress, they could wield heavy influence. Some of the congressional leaders were stout Dewey-for-president men and have indicated privately they will consult with the New Yorker on major legislation.

There were strong signs that congress will give its first attention to civil rights legislation, already asked for by the president.

From the GOP point of view, a push for civil rights bills not only would widen the split within the Democratic party over this issue but would give the Republicans a chance to come through on a campaign promise.

What else may be done before adjournment will depend on decisions to be made at future GOP strategy sessions.

Radical Move Is Made in Berlin Crisis

(From Page One)

The joint American—British action appeared to be the most positive counter-move yet taken by the Western Allies to break the Russian blockade of Berlin, now a month old.

Gens. Lucius D. Clay and Sir Brian Robertson, the American and British military governors, took the action at a conference in Frankfurt. The restrictions are effective at once. The prohibition is against the movement of all trains "originating or terminating" in the Soviet zone.

When the Russians stopped traffic on the long railway between Berlin and the western zones of Germany, they asserted "technical difficulties" were the cause.

In another development, the Berlin city government ordered the dismissal of Police President Paul Markgraf who was appointed to his position by the Russians in 1945.

Dr. Ferdinand Friedensburg, deputy mayor of Berlin, said he had handed Markgraf a letter of dismissal, ordering him to turn over his office to his assistant.

The move was expected to have wide repercussions in this four-power city.

High American diplomatic officials huddled in London with British and French representatives to chart new strategy on the Russian blockade following a confer-

ence here yesterday.

All indications pointed to acceptance by the United States, Britain and France of a Soviet demand for a new conference on all of Germany. In London and Berlin reports circulated of a new Big Four foreign ministers conference or a meeting of President Truman and Prime Minister Stalin in an effort to end the Berlin crisis.

The western powers expressed willingness to negotiate on Berlin only in their first note demanding that Russia lift the Berlin blockade. But Russia has rejected the idea of separate negotiations on Berlin.

British and French authorities reportedly expressed willingness earlier to confer on all of Germany. And Gen. Lucius D. Clay, American military governor for Germany, indicated last night that the U. S. has swung into line with the British and French positions.

Clay, just back from Washington, said the U. S. is prepared to negotiate on all of Germany but "not under duress." By duress he referred to the Soviet blockade of Berlin.

He expressed belief that the Russians have not committed themselves so far that they cannot lift the blockade. Clay indicated the western powers also might be willing to discuss a new proposal on currency, if necessary, in order to reach an agreement on breaking the blockade.

When the western powers introduced a new currency in their zones, the Russians sealed off their zone to prevent a flood of worthless marks from entering eastern Germany.

Price changes either way were narrow with gains showing a slight edge over losses. Trading slowed to a walk almost immediately after the opening bell.

Traders showed little reaction to a stream of June railroad earnings reports, virtually all of which showed substantial improvement over a year ago. It was pointed out, though, that the railroad group is now selling close to the highest average level since July 1946.

Improvement in earnings, in other words, seems to have been anticipated at least in part.

Higher prices were paid for Chrysler, Firestone Tire, Lockheed, N. Y. Central, Southern Pacific, Baltimore & Ohio, American Telephone, Du Pont and International Paper.

### Sen. Barkley Hears Group Of Democrats Invited To Conference at White House

(From Page One)

be for the purpose of "renewing our determination" to fight any effort to pass civil rights measures at the special session.

Russell said 21 senators will be invited to the meeting.

He said there will be another get together after Mr. Truman reads his message to a joint session tomorrow.

Senator Barkley (Ky), senate minority leader and Mr. Truman's vice-presidential running mate, headed the group of Democratic leaders invited to the White House.

Presidential Secretary Charles G. Ross said Mr. Truman would go over his message and discuss his legislative recommendations with the group. These recommendations include anti-inflation, housing, civil right, and other bills which Mr. Truman said he was calling congress back to consider.

Besides Barkley, others invited to the conference were:

Senator Lucas (Ill), assistant minority leader; Rep. McCormack (Mass) assistant house Democratic leader; Senator McGrath (Ri), Democratic national chairman; Reps. Priest (Tenn.), Kerwin (Ohio) and Murdock (Ariz.), and Leslie Biddle, secretary to the senate Democrats.

As the White House arranged the Democratic parley, Republican leaders of the senate and house majorities gathered this morning to discuss strategy for the session. They plan another meeting tomorrow after hearing Mr. Truman's program.

Anything or nothing may come out of this second extra session ever held in a presidential election year, for the members were far from happy about breaking into their vacation that started on June 19 and was to have lasted until December 31.

The president, who called the lawmakers back to work after labeling their record one of the worst in history, will confront them face to face tomorrow to outline what he wants.

He already has said he wants something done about the rising cost of living, among other things. The "other things" probably will include many of Mr. Truman's previous legislative recommendations to which congress turned a cold shoulder. Among them:

Long-range housing, federal aid to education, broadening of social security coverage, a national health program, a higher minimum wage, anti-lynching, anti-poll tax and anti-segregation legislation, revision of the new law allowing 205,000 displaced foreigners to enter the United States, and a \$65,000,000 loan to build New York headquarters for the United Nations.

All the expected proposals, except the one dealing with living costs, are in legislative shape to be acted on quickly if congress wants to act.

Mr. Truman was putting the finishing touches to his message today after a weekend Potomac river cruise aboard the presidential yacht Williamsburg.

In advance of his annual recommendations, congressional leaders predicted that the president will ask for power to impose price controls and rationing on selected cost-of-living items, such as meat. There is no limit to how long congress can stay in session and no bounds, save constitutional re-

strictions, on what it may consider.

But the general consensus of senate and house leaders is that the lawmakers should be home-bound by Labor Day, if not sooner.

All the house members and one-third of the 96 senators are involved in this year's elections and they want to get home for campaigning.

Mr. Truman already has served notice that he will make the record of the 80th congress a major issue in his own bid for election in November. He called it one of the worst in history during his recent tour of the west, and he heaped more denunciations on it in his acceptance speech at the Democratic national convention.

The president and his vice-presidential mate, Senator Alben W. Barkley, of Kentucky, will have an official personal hand in the congressional proceedings—president prodding the legislators to take action on his proposals, and Barkley leading the Democratic forces in the senate.

Officially, the new standard-bearers, Gov. Thomas E. Dewey of New York, and Gov. Earl Warren of California, will be out of the picture.

But unofficially, through their fellow - Republicans in congress, they could wield heavy influence. Some of the congressional leaders were stout Dewey-for-president men and have indicated privately they will consult with the New Yorker on major legislation.

There were strong signs that congress will give its first attention to civil rights legislation, already asked for by the president.

From the GOP point of view, a push for civil rights bills not only would widen the split within the Democratic party over this issue but would give the Republicans a chance to come through on a campaign promise.

What else may be done before adjournment will depend on decisions to be made at future GOP strategy sessions.

### Radical Move Is Made in Berlin Crisis

(From Page One)

The joint American - British action appeared to be the most positive counter-move yet taken by the Western Allies to break the Russian blockade of Berlin, now a month old.

Gens. Lucius D. Clay and Sir Brian Robertson, the American and British military governors, took the action at a conference in Frankfurt. The restrictions are effective at once. The prohibition is against the movement of all trains "originating or terminating" in the Soviet zone.

When the Russians stopped traffic on the long railway between Berlin and the western zones of Germany, they asserted "technical difficulties" were the cause.

In another development, the Berlin city government ordered the dismissal of Police President Paul Markgraf who was appointed to his position by the Russians in 1945.

Dr. Ferdinand Friedensburg, deputy mayor of Berlin, said he had handed Markgraf a letter of dismissal, ordering him to turn over his office to his assistant. The move was expected to have wide repercussions in this four-power city.

High American diplomatic officials huddled in London with British and French representatives to chart new strategy on the Russian blockade following a confer-

ence here yesterday.

All indications pointed to acceptance by the United States, Britain and France of a Soviet demand for a new conference on all of Germany. In London and Berlin reports circulated of a new Big Four foreign ministers conference or a meeting of President Truman and Prime Minister Stalin in an effort to end the Berlin crisis.

The western powers expressed willingness to negotiate on Berlin only in their first move demanding that Russia lift the Berlin blockade. But Russia has rejected the idea of separate negotiations on Berlin.

British and French authorities reportedly expressed willingness earlier to confer on all of Germany, and Gen. Lucius D. Clay, American military governor for Germany, indicated last night that the U. S. has swung into line with the British and French positions.

Clay, just back from Washington, said the U. S. is prepared to negotiate on all of Germany but "not under duress." By duress he referred to the Soviet blockade of Berlin.

He expressed belief that the Russians have not committed themselves so far that they cannot lift the blockade. Clay indicated the western powers also might be willing to discuss a new proposal on currency, if necessary, in order to reach an agreement on breaking the blockade.

When the western powers introduced a new currency in their zones, the Russians sealed off their zone to prevent a flood of worthless marks from entering eastern Germany.

Price changes either way were narrow with gains showing a slight edge over losses. Trading slowed to a walk almost immediately after the opening bell.

Traders showed little reaction to a stream of June railroad earnings reports, virtually all of which showed substantial improvement over a year ago. It was pointed out, though, that the railroad group is now selling close to the highest average level since July 1946.

Improvement in earnings, in other words, seems to have been anticipated at least in part.

Higher prices were paid for Chrysler, Firestone Tire, Lockheed, N. Y. Central, Southern Pacific, Baltimore & Ohio, American Telephone, Du Pont and International Paper.

### Joannie Rice Gets Into Schacht's Act

Five-year-old Joan Rice, daughter of Warren Council President and Mrs. W. E. Rice, will probably remember her first organized base-game for a good many years to come.

When her parents told her they were going to take her to the Pony League game in Jamestown last night, Joan's first question was:

"Will there be any clowns like in the circus?"

"No, there'll be no clowns," her daddy told her. But he was wrong. When they got to the ball park, they found Al Schacht, nationally known comedian of the diamond sport, ready to go into his act.

Schacht first picked a small boy from the audience to help him, and then motioned for Joan to come out on the field. A mock wedding ensued, with the boy answering the important question with an emphatic "No." And when it came to the kissing part, the boy blushed a deep red and made a bolt for the stands. Joan, grinning from ear to ear, performed her part like a veteran trouper, but when she returned to her seat, she promptly chided her daddy.

"I thought you said there weren't going to be any clowns."

Now Bill is having a tough time explaining how Schacht happened to be there.
